Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. A. Bartlett MASTER, of the CEDRIC. from LIVERPOOL.
(State whether Master, First or Second Officer.)

solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 12 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" as race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"West Indian" refers to the people of the West Indies, other than Cuban, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN BLACK.

"African Black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, European or Asia. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Emilia, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, South."

Column 6. Last permanent residence. — An intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining a long time, or one year or more, is the last permanent residence, regardless of length of actual residence there. The entry in column 10 should show the country, dependency, or locality of last permanent residence. It is important for statistical purposes that steamship companies record alien's country of last permanent residence independent of country of temporary residence (intervening), or visit.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 7. Name and complete address of nearest relative or friend in country whence alien came. — The entry in column 7 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 8. Final destination. — Intended future permanent residence shall be the final destination. An intended residence for one year shall constitute permanent residence. Column 12. Whether ever before in the United States, and if so, when and where. — The entries in column 12 should show whether or not (Yes or No) in the United States before; and if so, the year, or period of years, and place, as, 1894–97, Philadelphia.

Column 13. Whether going to join relative or friend, and if so, what relative or friend. — The entry in column 13 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 14 to 37. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, B. L. A. Bartlett, MASTER, (State whether Master, First or Second Officer.) of the S.S. from NEWFOUNDLAND, do solemnly, sincerely, and truly depose and say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2. Age.—The return of age in infants should be expressed in years or months, the latter appearing only as fractions under 1 year. [illegible]

Column 3. Sex.—The entry is to indicate by the letter M male or F female.

Column 4. Married or single.—The entry is to indicate by the letter M married or S single. Widowed or divorced persons should be classed as single.

Column 5. Calling or occupation.—The entry is to state what each alien has been accustomed specifically and principally to do for a livelihood, and not merely general terms like "laborer," "clerk," "manufacturer," or "dealer." Such occupations as engineer, mining engineer, farmer, miller, merchant, grocer, butcher, tailor, etc., and not simply as engineer, peddler, miller, farmer, or other indefinite designations.

A distinction should be made between "farmer" and "farm laborer," regardless of the amount of property owned by the former.

If without occupation, state "none."

If under 16 years of age, state occupation, if any, as "student at school," "at home," or "none," as the case may be.

Stenographic contractions should not be used. The abbreviation "do" meaning the same as the word above it should not be used. If two persons, for instance, work at the same trade, both should be written out in full.

Column 6. Can read.—Every person can read who can understand some language. The test may be applied by requiring the alien to read a few words in his own language. If he can read English or any other language, write "Yes." If he can not read at all, write "No."

Column 7. Nationality.—Nationality means the country to which a person belongs politically as a citizen or subject. It is not necessarily the country of birth, nor the country of which a person may have become a citizen by naturalization. The words to be used are those which designate the present nationality of the various races or peoples, irrespective of the governments under which they may live. Thus natives of Scotland, England, Ireland, Wales, and the British Provinces should write respectively Scotch, English, Irish, Welsh, and Canadian (or Canadian-French). Care should be taken to specify as accurately as possible the nationality of each alien. Such entries as Russian, Austrian, German, French, Spanish, Swedish, Turkish, East Indian, Chinese, Japanese, Negro, Polish, Roumanian, Portuguese, Italian, Mexican, South American, West Indian, Armenian, Syrian, Hebrew, etc., are sufficiently definite. Such indefinite designations as Slavonian, Sclavonian, Finn, Celt, Croat, Hun, Magyar, Teuton, Latin, Saxon, Servian, Bohemian, Moravian, Carinthian, Carniolan, Dalmatian, Bosnian, Herzegovinian, Croatian, Slavonic, Sclavonic, Dane, Norwegian, Scandinavian, Lapp, Finnish, Manx, Celtic, Gaelic, Cornish, Welsh, Swiss, Belgian, Netherlandish, Dutch, Flemish, Australian, Polynesian, Canadian, Indian, Mexican, Central American, South American, European, Asiatic, African, West Indian, Pacific Islander, American, and the like, should not be used.

Special attention is called to the distinction between race and nationality, and numbers should be carefully revised to see that the race or people to which each alien belongs is correctly stated. For instance, Germans, Austrians, Hungarians, Bohemians, Moravians, Russians, Poles, Finns, Turks, Roumanians, Bulgarians, Servians, Greeks, Italians, Spaniards, Portuguese, Mexicans, Chinese, Japanese, Hindus, East Indians, Negroes, Pacific Islanders, Canadians, Cubans, Porto Ricans, Central Americans, South Americans, West Indians, Australians, Polynesians, Africans, Armenians, Syrians, Arabians, Hebrews, Indians, Russian Hebrews, Spanish Hebrews, and the like, are races or peoples, and not nationalities. Persons belonging to these races or peoples may be natives of any country on the face of the earth, and may be subjects of any government, according to the territorial limits which may exist at the time they leave their native country. Thus persons of the Hebrew race may be natives of Russia, Austria-Hungary, Germany, France, Italy, Spain, Portugal, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, Australia, Africa, Asia, Canada, or the United States, and may be subjects of any government in any of these countries. Persons of the Negro race may be natives of Africa, Cuba, Porto Rico, the West Indies, Central America, South America, Canada, or the United States, and may be subjects of any government in any of these countries. Persons of the Chinese race may be natives of China, Hongkong, Australia, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, or any country in Europe, and may be subjects of any government in any of these countries. Persons of the Japanese race may be natives of Japan, Australia, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, or any country in Europe, and may be subjects of any government in any of these countries. Persons of the Hindu or East Indian race may be natives of India, Australia, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, or any country in Europe, and may be subjects of any government in any of these countries. Persons of the Armenian race may be natives of Armenia, Turkey in Asia, Russia, Persia, Australia, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, or any country in Europe, and may be subjects of any government in any of these countries. Persons of the Syrian or Arabian race may be natives of Syria, Arabia, Australia, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, or any country in Europe, and may be subjects of any government in any of these countries. Persons of the Indian race may be natives of any of the British Provinces, the United States, Mexico, Central America, South America, or the West Indies, and may be subjects of any government in any of these countries. Persons of the Pacific Islander race may be natives of any of the Pacific Islands, Australia, Canada, the United States, Mexico, Central America, South America, or the West Indies, and may be subjects of any government in any of these countries. Persons of the Polynesian race may be natives of any of the Polynesian Islands, Australia, Canada, the United States, Mexico, Central America, South America, or the West Indies, and may be subjects of any government in any of these countries. Persons of the Australian race may be natives of Australia, Canada, the United States, Mexico, Central America, South America, or the West Indies, and may be subjects of any government in any of these countries. Persons of the African race may be natives of Africa, Cuba, Porto Rico, the West Indies, Central America, South America, Canada, or the United States, and may be subjects of any government in any of these countries. Persons of the European race may be natives of any of the European countries, Canada, the United States, Mexico, Cuba, Porto Rico, Central America, South America, the West Indies, Australia, Asia, Africa, or any other country, and may be subjects of any government in any of these countries.

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gaelic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 8. Last permanent residence.—An intended residence for one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for a long period shall be the last permanent residence, regardless of length of actual residence in each. The object is common to classify alike the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence or nationality of race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9. Name of nearest relative or friend in country whence alien came.—The entry in column 9 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 10. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 10 should show definitely the place—city or town—of intended future permanent residence, if within the United States; country, if outside the United States.

Column 11. Whether having a ticket through.—The entry in column 11 should be Yes or No.

Column 12. Whether paid for by self or other person or friend (and if so, what relative or friend, and where).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friend; steamship company, etc.

Column 13. Whether in possession of $50 and if not, how much.—The entry in column 13 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 14. Whether ever before in the United States, and if so, when and where.—The entries in column 14 should show whether or not a Yes or No in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 15. Whether going to friend, and if so, what relative or friend.—The entry in column 15 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 16.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. A. Bartlett. MASTER, of the [illegible] LIVERPOOL, from [illegible], do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in infants should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works upon farms for the management or proprietor.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and property clerks before the passengers come to the final desk for examination.

Column 7. Can read and write.—Column 7 is self-explanatory, and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8. Nationality.—Column 8 should be confined to the country of which person named is a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reviewing officers as hereinafter provided. For instance, "Finnish" appearing on a manifest does not necessarily mean "Finnish" by race or people, and similarly "French," appearing on a manifest does not necessarily mean "French" by nationality. An alien who is born in Britain, or Hebrew by race, might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies—other than Cuban—not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African—black" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN—NORTH.

The people who are native to that portion of Italy north of the basin of the River Po, i. e., the departments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian—north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian—south."

Column 10. Last permanent residence.—An intended residence for one year shall constitute permanent residence. The entry in column 10 should show the country which, when applying for passport, engaged to be his or her final permanent residence, regardless of length of actual residence prior to departure. The object in requiring this information is to ascertain whether the alien is coming to the United States for a temporary or permanent residence. If for a temporary purpose, that is, if he intends to return to his permanent residence abroad after accomplishing the purpose which brought him to the United States, he is not entitled to admission, as the immigration laws are not designed to encourage temporary immigration, but only that which is permanent.

Aliens who are in transit through the United States and are returning from a visit abroad should be questioned in relation to their permanent residence.

Column 11. Name.—The entry in column 11 should give name and address of such relative. If the alien has no relative living, give name and address of friend.

Column 12. Final destination.—Intended future permanent residence should be the final destination. An intended residence for one year shall constitute sufficient permanency. The entry in column 12 should show destination (the place where it is expected the alien will settle permanently) as given by the alien. It is not sufficient to write "Chicago" or "Illinois," but the street address, if possible, should be given.

Column 13. Whether having a ticket to final destination.—The entry in column 13 should be Yes (ticket) or No (no ticket).

Column 14. By whom passage paid.—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 15. Whether in possession of $50, and if less, how much.—The entry in column 15 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever before in the United States, and if so, when and where.—The entries in column 16 should show whether or not a Yes or No in the United States before; and if so, the year, or period of years, and place, as, 1894-97, Philadelphia.

Column 17. Coming to join relative or friend, and if so, what relative or friend.—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the CEDRIC. SAILING THEREWITH, do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Age. The return of age in column 4 should be expressed in years; infants under one year should be returned in months, the latter applying only to those under 1 year of age.

Column 2. Sex. The entry in column 5 should be "M" for male or "F" for female.

Column 3. Married or single. The entry in column 6 should be either "M" for married, "S" for single, "W" for widowed, or "D" for divorced.

Column 4. Calling or occupation. The entry in column 7 should show specifically as to each alien, if practicable, the calling or occupation at which he has been employed during the past year or since last coming to the United States, as the case may be, as for instance, farmer, laborer, carpenter, engineer, mason, engineer, railway engineer, house painter, shoemaker, tailor, tinsmith, cooper, miner, machinist, weaver, lumberman, clerk, merchant, physician, surgeon, nurse, servant, or other definite occupation.

A distinction should be made between *laborer* and *servant*, and no return of either should be made without a definite statement as to the character of service rendered, regardless of the amount of money shown to be paid.

Laborer is one who performs labor of a coarse, menial character.

Farmer is one who operates a farm, either for himself or others.

A farm laborer is one employed to work on a farm for the man who operates it.

Steamship companies should make their distinctions between "laborers" and "servants" with care, and no return of either should be made unless it accurately describes the occupation of the person to whom it relates.

Column 5. Can read. Every person 14 years old and over should be reported as able to read or not able to read, as the case may be. Any alien who can read some language or dialect should be returned as able to read, although unable to read English.

Column 6. Can write. Every person 14 years old and over should be returned as able to write or not able to write, as the case may be. Any alien who can write his own language, although unable to write English, should be returned as able to write.

Column 7. Name and final destination of each passenger who intends to join a relative or friend, or who has a ticket through to such place. The entry in column 8 should show the name and destination (State or Territory) of every alien who intends to join a relative or friend, or who has a ticket through to such place. If the destination is the same as the place from which the alien sails, the fact should be so shown.

Column 8. Whether having a ticket through. The entry in column 9 should be either "Yes" or "No" as the case may be.

Column 9. Whether paid passage through. The entry in column 10 should be either "Yes" or "No" as the case may be.

Column 10. Whether in possession of $50, and if less, how much. The entry in column 11 should show specifically as to each alien, if practicable, whether he has in his possession at the time of inspection money to the amount of fifty dollars, and if he has less than that amount the exact sum should be stated.

Column 11. Whether going to join a relative, and if so, what relative and where. The entry in column 12 should show whether the alien is going to join a relative, and if so, what relative, his name and complete address.

Column 12. Race. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

ITALIAN RACE.

The people who are known as the Italian race inhabit the Italian Peninsula, the islands in the Mediterranean Sea adjacent thereto, the Republic of San Marino, the Canton Ticino in Switzerland, Corsica, Nice, Savoy, Malta, and the Austrian provinces of Trentino, Istria, Trieste, Gorizia, and Dalmatia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classified as "Italian" races. Most of these people speak a Latin dialect of the Italian language.

CELTIC RACE.

The people who are known as the Celtic race inhabit Ireland, the Highlands of Scotland, Wales, Cornwall, Devonshire, the Isle of Man, the Channel Islands, Brittany, the Basque Provinces of Spain, Portugal, Galicia, Asturias, Leon, Old Castile, Andalusia, Granada, Murcia, and Valencia, and their descendants, whether residing in Europe, America, or elsewhere, should be classified as "Celtic" races.

Column 13. Nationality. The entry in column 14 should show the country to which each alien mentioned therein belongs, as for instance, Russia, Sweden, England, Scotland, Ireland, Germany, France, Italy, Spain, Portugal, Turkey, Greece, Roumania, Bulgaria, Servia, Montenegro, Austria-Hungary, Belgium, Holland, Switzerland, China, Japan, India, Mexico, Cuba, Haiti, Santo Domingo, Central American States, South American States, Australia, New Zealand, Africa, Arabia, Persia, Syria, Asia Minor, Egypt, Palestine, Turkey in Asia, Turkey in Europe, Scandinavia, Finland, Dalmatia, Bohemia, Moravia, Hungary, Poland, Spanish America, Portuguese America, West Indies, Pacific Islands, Dutch East Indies, Dutch West Indies, Philippine Islands, Canada, Newfoundland, Mexico, Central America, South America, Europe, Asia, Africa, Australia, New Zealand, Pacific Islands, West Indies, or other countries.

Column 14. Race or people. Each alien should be returned as belonging to the race or people to which he belongs, whether he is a citizen or not. The entry in column 15 should show the race or the people to which he belongs.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully returned in accordance with the following classification of races. For instance, "Irish" appearing on a manifest should not be taken as conclusive evidence that the person is a native of Ireland, but may indicate that he is of the Celtic race, irrespective of the country in which he was born. An alien who is born in Germany, or Holland, by race might possibly come under the heading of Celtic, Scandinavian, or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people of all Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible] SAILING THEREWITH, do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens come and the language they speak. The original stock or blood should be the basis of the classification independent of language. Do not use language alone to assist in determining the original stock.

I, Chas. A. Bartlett. MASTER, of the S.S. LIVERPOOL, from LIVERPOOL, do solemnly, sincerely, and truly depose and say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 1 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1.—The names of aged or infirm persons should be expressed in full, even months; the letter applying only to children under 1 year of age.

Column 2.—Specify the relationship, if any, sustained to the person first named on the list, as wife, husband, father, mother, child, brother, sister, grandfather, grandmother, grandchild, etc. If no relationship exists, the fact should be stated, as servant, friend, etc.

Column 3.—Write in full name and surname of each person, whether male or female, adult or minor, including every person, however young.

Column 4.—Write the age of each person as nearly as possible at the time of coming to the United States. If under 1 year, state in months. If between 1 and 2 years, state in months and days.

Column 5.—Write "M" for male, "F" for female, "M. married," "S." for single, "Wd." for widowed, "Div." for divorced.

Column 6.—Write the occupation of each person as specifically as possible. If a laborer, specify whether agricultural or other kind of laborer. Do not return persons as "farmers" unless they own farms. If they rent or work farms, they are laborers. If without occupation, state the fact, as "none." If a child or other person, specify "child," "none," or "servant," as the case may be.

Column 7.—Write "Yes" or "No" to show whether each person can read or cannot read, regardless of the ability to read in any particular language.

Column 8.—Write "Yes" or "No" to show whether each person can write or cannot write.

Column 9.—Write "Yes" or "No" to show whether each person is or is not a polygamist.

Column 10.—Write "Yes" or "No" to show whether each person is or is not an anarchist.

Column 11.—Write "Yes" or "No" to show whether each person is or is not under contract or agreement, express or implied, to perform labor in the United States. The fact that a person has been assisted to come, or that his ticket or passage is paid for by another, or that he has a definite position to go to, or that he has friends or relatives who have sent for him, does not constitute a contract or agreement within the meaning of the law, unless it is stated that such person has entered into a contract or agreement, express or implied, to perform labor in the United States.

Column 12.—Write "Yes" or "No" to show whether each person is or is not coming to perform labor in the United States, and if so, what kind of labor.

Column 13.—Write "Yes" or "No" to show whether each person has or has not been in the United States before; and if so, the year or period of years, as, "1901-07, Philadelphia."

Column 14.—Write "Yes" or "No" to show whether each person has or has not a ticket to final destination. Tickets to interior points should be shown, as a ticket to Chicago does not entitle the holder to remain in New York.

Column 15.—Write "Yes" or "No" to show whether each person has or has not paid his own passage. The object of this column is to show whether the passage money was furnished by the person himself or by others. If by others, the question should be answered "No."

Column 16.—Write "Yes" or "No" to show whether each person has or has not in his possession $50 in money. Persons who have been in the United States for a period of years should have more than persons coming for the first time. Professional beggars, persons of means, and those who have been in the United States frequently should have more than $50. The amount of money in possession of each person should be stated in column 17.

Column 17.—Write the amount of money in possession of each person, whether $50 or less, or more than $50. The entry in column 17 should show accurately the possession by the person named in the list of the amount stated in column 16. If any person named in the list has less than $50 in his possession, the exact amount should be stated. If a person has no money at all, that fact should be stated. The entries in column 17 should be either Yes or No, as the case may be.

Column 18.—If going to join a relative, write the name of such relative; if to any other person, write the name of such person; and state the full address, giving name of street and number of house, if possible. The object of this column is to ascertain whether the immigrant has friends or relatives with whom he intends to live, and their names and addresses should be carefully written, so that they may be found if inquiry is necessary. In the case of persons coming to join relatives, the name and address of the relative should be plainly written.

Column 19.—Write the name of the State or place in which each person intends to reside. If to remain in New York City, write the name of the street and number of house, if possible.

Column 20.—Write the name of the country of which each person is a native.

Column 21.—Write the name of the country of which each person is a citizen. Many persons are subjects of a country without being citizens.

Special attention should be given to the correct entry of the information required by these columns, as the manifests serve as the basis for answering many questions propounded by aliens and others at the immigration stations. Entries should be made by printing, typewriting, or plain handwriting. Ditto marks should not be used. Where there is no fact to be stated under the heading, a line should be drawn in the column. In this connection the following abbreviations are allowed and will be generally observed:

GERMANY.

The letter "German" refers to the German people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Cuba or other islands of the West Indies, North or South America, Europe or Africa. A person with an admixture of blood of the African Negro should be classified under this heading.

HEBREW, RUSSIAN.

The people who are native to the countries of Europe, Asia, or northern Africa, comprising Russia, Poland, Finland, Lithuania, Armenia, and Turkey, and other dependencies, whether residing in Europe, Asia, or elsewhere, of any race or country, should be classed as "Hebrew," "Russian," etc., as the case may be, regardless of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the border of the Provinces of Leghorn, Florence, Ancona, Perugia, and Rome, including Sicily and Sardinia, and their descendants, should be classed as "Italian, south."

ITALIAN, NORTH.

The people who are native to that portion of Italy north of the above-named provinces should be classed as "Italian, north." In order to comply with the requirements of law in regard to the number of persons in each race or people who have come to the United States during the last fiscal year, it is necessary that the distinctions between the various races and peoples of Europe, Asia, and Africa be carefully observed in the entries on the manifests, and that the last permanent residence of aliens coming to the United States be correctly stated. The term "race or people" is not synonymous with "nationality," as the former designates the ancestral home of a person, while the latter designates the country in which he has resided.

Column 22.—Write the name of the country from which each person last permanently resided. Persons coming to the United States often have lived for short periods in countries other than those of their birth or citizenship, and the name of the country in which they have lived for a year or more should be carefully written in this column. Where no permanent residence in a country other than that of birth is shown, the entry in column 21 will be duplicated in column 22.

Column 23.—If the final destination of any alien is the United States, write the name of the State in which he intends to reside. The entry in column 23 should be the name of a State and not of a city or town. The names of cities or towns belong in column 18.

Column 24.—Write "Yes" or "No" to show whether each person is or is not joining a husband, wife, father, mother, grandfather, grandmother, brother, sister, uncle, aunt, cousin, nephew, niece, or grandchild. The names of relatives should be carefully written in column 18.

Column 25.—Write "Yes" or "No" to show whether each person has been or has not been in prison or in almshouse or asylum, or supported by charity. The object of this column is to ascertain whether the immigrant belongs to any of the classes excluded by law from admission to the United States.

Column 26.—Write "Yes" or "No" to show whether each person is or is not a member of the following classes: Polygamists, anarchists, persons who believe in or advocate the overthrow by force or violence of the Government of the United States or of all forms of law, persons who disbelieve in or are opposed to organized government, or who advocate the assassination of public officials, and persons who are members of or affiliated with any organization entertaining and teaching such disbelief in or opposition to organized government, or who advocate or teach the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government, because of his or their official character, or who advocate or teach the unlawful destruction of property.

Column 27.—Write "Yes" or "No" to show whether each person is or is not deformed or crippled, and if so, from what cause.

Column 28.—Write the height of each person in feet and inches.

Column 29.—Write "Yes" or "No" to show whether each person is or is not a native of the island dominated by the United States, and if so, what island.

Column 30.—Write "Yes" or "No" to show whether each person is or is not coming to the United States to escape persecution, and if so, on account of what form of persecution.

Column 31.—Write "Yes" or "No" to show whether each person is or is not coming to the United States in pursuance of a prearranged plan, and if so, what plan.

Column 32.—Write "Yes" or "No" to show whether each person is or is not coming to the United States to join a husband, father, brother, or other relative; friend; steamship company, etc.

Column 33.—Write the exact amount of money in possession of each person, whether $50 or less, or more than $50. The entry in column 33 should give to each man, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 34.—Whether ever before in the United States, and if so, when and where. The entries in column 34 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1901-07, Philadelphia.

Column 35.—Going to join a friend, and if so, what friend. The entry in this column should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 36.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Edward A. Bartlett, (State whether Master, First or Second Officer) of the CEDRIC. from LIVERPOOL, do solemnly, sincerely, and truly depose and say that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. Name. The return of age in column 4 should be expressed in years if one year old or over, but if under one year old in months.

Column 2. Name. The entry in column 2 should be the given name or initial of the alien.

Column 3. Married or single. The entry in column 3 should be "M" for married persons, and "S" for single, "Wd" for widowed, or "D" for divorced.

Column 4. Calling or occupation. The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and the simple word laborer, polisher, molder, turner, or other indefinite designation is insufficient.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown to be with the former.

Persons of no occupation should be returned as "none."

Children should be entered as "child" or "children."

Stenographic contractions should not be used, and the entries should be plainly written in ink or typewritten.

Columns 5 and 6. Age. Columns 5 and 6 should be combined to show the age of each alien at his last birthday. Infants under 1 year of age should be returned as "under 1" in column 5, and the exact age in months should be stated in column 6, as "8 mos.," "10 mos.," etc.

Columns 7 and 8. Sex and marital condition. Column 7 should be used to show the sex of each alien by the use of the letter "M" for male and "F" for female. Column 8 should show whether married, single, widowed, or divorced, by the use of the letter "M," "S," "Wd," or "D," respectively.

Columns 9 and 10. Nationality. Column 9 should be used to show the country of which the immigrant last became a citizen or subject.

Columns 11 and 12. Race or people. The entry in column 11 should show the race or people to which each alien belongs. The word "Hebrew" should not be used in this column.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "Chinese" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest does not necessarily mean "Chinese" by nationality. An alien who is Irish, Germans, or Hebrew by race ought properly to be entered under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN, NORTH.

The people who are native to that portion of Italy lying north of the basin of the River Po, comprising the provinces of Liguria, Piedmont, Venetia, Lombardy, Tuscany, and Emilia, and the inhabitants of Trentino and Istria, whether belonging to Italy, Austria, or Switzerland, and who come from that country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po, the compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 13. Last permanent residence. An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention of remaining a year or more shall be the last permanent residence regardless of length of actual residence there. The entry in column 13 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 14. Name and complete address of relative or friend in country whence alien came. The entry in column 14 should give name and address of such relative. If no such relative be known, give name and address of friend.

Column 15. Final destination. Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 15 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 16. Whether coming to join relative or friend, and his name and complete address. The entry in column 14 should be either Yes, ticket, or No, no ticket.

Column 17. Ever in prison or almshouse or supported by charity. The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 18. Whether in possession of $50, and if less, how much. The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 19. Whether ever before in the United States, and if so, when and where. The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1891 N. Y., Philadelphia.

Column 20. Coming to join relative or friend, and if so, what relative or friend. The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 21. Remarks. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, B[illegible] MASTER (Strike out Master, Commanding Officer, First or Second Officer.) of the CEDRIC. from LIVERPOOL do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

THE FOLLOWING NUMBERS DID NOT EMBARK [illegible]

Sworn to before me this day of , 19 .

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. The return of age in column 4 should be expressed in years where the alien is one year old or more, but for infants under 1 year of age.

Column 2. The entry in column 2 should be called Manifest or List number.

Column 3. Married or single. The entry in column 3 should be written M. for married, or S. for single, W. for widowed, or D. for divorced.

Column 4. Calling or occupation. The entry in column 4 should correctly designate, in connection with age, the occupation, trade, or profession of each alien, as, for example: Clerk, stenographer, engineer, mechanic, engineer, mining engineer, miner, painter, artist, author, lawyer, merchant, tailor, dressmaker, etc., and not simply as "engineer, painter, maker, etc." "Laborer" or "servant" is sufficient for ordinary laborers.

A distinction should be made between *farmer* and *farm laborer*, regardless of the concept in which these terms are followed.

Column 5. Can read or cannot read. Every person 14 years old and over, physically able to read, who can read in any language or dialect, should be entered as able to read; but if unable to read, whether able to write or not, he should be entered as unable to read.

Column 6. Can write or cannot write. Column 5 is subdivided and the entries therein should be either Yes or No. Yes means read and write. No means neither read nor write, nor Yes, No can read but not write.

Column 7. Nationality. Column 7 should be construed to mean the country of which a person is a citizen or subject.

Column 8. Race or people. See list of races on back of this manifest. The entry in column 8 must show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and reentry clerks in this regard. The word "Russian" appearing on a manifest does not necessarily mean "French," "Syrian" or "Turkish," and the word "French" appearing on a manifest does not necessarily mean "Chinese" or "Japanese." An alien who is Irish, German, or Hebrew by race should properly, regardless of the boundary of United Kingdom or any other country in nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, not Negro.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK.

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

HEBREW—RACE.

The people who are native to or have come from the River Region in Eastern Europe, generally designated as Russian Hebrews, Polish Hebrews, and Hebrews according to the country in which they were born, as Austrian Hebrews, Hungarian Hebrews, or Roumanian Hebrews, as the case may be, are a people who, whether they be Orthodox, Conservative, Reformed, or entirely free from religious belief, constitute a race.

ITALIAN—RACE.

The people who are native to the peninsula south of the Alps, or to the islands in the Mediterranean Sea near Italy, such as Sicilians, Neapolitans, Tuscans, Piedmontese, Genoese, Lombards, Venetians, Calabrians, Abruzzians, Romans, etc., should be classified as Italians, and their descendants should be classified as Italian (race).

Column 9. Last permanent residence. An individual's residence is that fixed and permanent residence which he has at the time of his departure from his native country, or which he has acquired by living in a country for a year or more with the intention of making it his fixed and permanent residence. It is important for statistical purposes that emigrants accurately show a country's real permanent residence independent of country of temporary sojourn, place of birth, or race.

Visitors who are temporary residents of the United States and have a permanent residence abroad should be recorded on manifests as to their last permanent residence abroad.

Column 10. Name and complete address of person in country whence alien came. The entry in column 10 should give name and address of nearest relative, friend, or person whom the alien came to join, and his relative, friend, or person's name and address should be stated.

Column 11. Final destination. Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 11 should show definitely the place, city or town intended for permanent residence of alien in the United States, country, if not in the United States.

Column 12. Whether ticket is through to final destination. The entry in column 12 should be either Yes, ticket, or No, not ticket.

Column 13. How much money alien has in his possession. The entry in column 13 should show definitely the amount of money exhibited by each alien, whether paid by said alien himself, by another relative, friend, steamship company, etc.

Column 14. Whether in possession of $50 and whether going to join relative. The entry in column 14 should give, in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15. Whether ever before in the United States and when and where. The entry in column 15 should show whether or not Yes or No as the United States, by, and when, the year or period, years, and place, as [illegible].

Column 16. Whether going to join husband, father, or other relative, and his name and complete address. [illegible] the alien is going to join a husband, father, or other relative, and his name, with complete address.

Columns 17-21. The answers in these columns are subject to examination by the inspection officer in the examination of aliens.

Respectfully,

Affidavit of Surgeon.

I, [illegible], Surgeon of the CEDRIC., [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. A. Bartlett. MASTER, of the CEDRIC. , from LIVERPOOL, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas. A. Bartlett
Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*). -The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*). -The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, Miles Prior, Surgeon of the CEDRIC, SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M B B S, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. A. Bartlett, (State whether Master, First or Second Officer.) MASTER of the CEDRIC., from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 10 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Chas. A Bartlett, MASTER, of the CEDRIC. from LIVERPOOL, do
(State whether Master, First or Second Officer.)

solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 6 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist, or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes)

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"Afrikan (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). — The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Miles Prior, Surgeon of the CEDRIC., SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof", as the case may be.) do solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M B B S, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 6 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. A. Bartlett. MASTER, of the CEDRIC. from LIVERPOOL, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 16 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—1116

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*). —See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, Miles Prior, Surgeon of the CEDRIC., SAILING THEREWITH., do
(State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.)
solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician
and Surgeon, and that I am entitled to practice as such by and under the authority of M B
BS., and that I have made a personal examination of
each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 10 in number, are, according
to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical
condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. F. Bartlett Master, of the Cedric, from Queenstown, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Le A. Bartlett (Master), of the Cedus, from Queenstown, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 28 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11–1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Miles Prior, Surgeon of the CEDRIC., SAILING THEREWITH. (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of M B. B S., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, ... in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (*Nationality*).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (*Race or people*).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (*Last permanent residence*).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50; and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2. Age.—The return of age in column 2 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 3. Sex.—The entry in column 3 should be M for male and F for female.

Column 4. Married or single.—The entry in column 4 should be M for married, S for single, Wd for widowed, or D for divorced.

Column 5. Calling or occupation.—The entry in column 5 should be as accurately as possible the occupation, trade, or profession of each alien, as laborer, farmer, merchant, engineer, stationary engineer, mariner, engine driver, railroad engineer, locomotive engineer, fireman, steel worker, roller, heater, puddler, wood worker, etc., and not simply as "engineer," "machinist," "mechanic," "worker," "laborer," "clerk," "servant," "driver," "fireman," "engineer," or "mariner." All such indefinite descriptions

A distinction should be made between *farmer* and *laborer*, regardless of the amount of money shown, as follows:

A farmer is one who owns or hires a farm, either on his own account or as a tenant.

A farm laborer is one who works on a farm for wages paid by the month or year.

Steamfitter, gas pipe fitter, plumber, etc., should be entered as such, and not as "laborer." Special attention should be paid to the correct description of the occupation of aliens arriving from Cuba, Mexico, Newfoundland, Canada, and the West Indies, as the tendency is to report all such as laborers, without specifying their occupation, which should be done.

Column 6. Nationality.—The nationality of each alien should be entered in this column, as Irish, Scotch, English, German, Swedish, Italian, Russian, Polish, Spanish, Portuguese, Dutch, Flemish, Belgian, French, Greek, Turkish, Syrian, Armenian, Chinese, Japanese, Hindu, Mexican, Cuban, West Indian, Central American, South American, Negro, East Indian, Arabian, African (native), etc. Nationality should be carefully inquired into, and the answers recorded in accordance with the statements made by the aliens themselves. Mere conjecture on the part of the inspector must be avoided. Care should be taken to ascertain the nationality of persons coming from countries containing different races or peoples, such as Austria-Hungary, Turkey, Russia, etc., and the race or people to which the alien belongs should be specified, as Bohemian, Croatian, Polish, Russian, Finnish, Turkish, Armenian, Greek, Syrian, Hebrew, etc. In any other country, inquiry should be directed to ascertain to what race or people the alien belongs. Many of these peoples speak a Gothic dialect of the Italian language as their native tongue. Many of these people speak a Gothic dialect of the Italian language as their native tongue.

ITALIAN.

The people who are native to that portion of Italy south of the basin of the River Po, in northern Italy, to comprise the Kingdom of Italy, formerly Venetia, and Lombardy and the Papal States, Modena, Parma, Tuscany, Naples, Sicily, and Sardinia, and their descendants should be entered as Italian.

Column 7. Last permanent residence.—As regards the year stated to constitute permanent residence, that is to say, if the intention to remain permanently or indefinitely in the United States is formed within a year after leaving the native country, regardless of length of actual residence in the United States, the last permanent residence in the native country should be stated. The entry in column 7 is important for statistical purposes, that steamship companies may be informed as to the permanent residence (independent of country or temporary residence) of aliens coming to the United States.

Aliens who are permanent residents of the United States and are returning from a visit abroad are to be considered as emigrants from the United States to the country of last permanent residence.

Column 8. Name and complete address of person in the United States whom alien intends to join.—The entry in column 8 should give the name and complete address of such person. In case such person is a relative, the relationship should be stated.

Column 9. Whether ever before in the United States, and if so, when and where.—The entry in column 9 should show whether or not the alien has ever been in the United States before, and if so, when and where, as "Yes, New York, 1902," "Yes, Philadelphia, 1901," "Yes, 1900," or "No."

Column 10. Whether going to join a relative, and if so, what relative, and whether having a ticket, and if so, whether paid for in whole or in part by himself or by friends, and if by friends, what friends.—The entry in column 10 should show whether the alien has a ticket, and if so, whether it is a prepaid or unpaid ticket, and whether paid for by himself or by friends, and if by friends, what friends, as "Yes, prepaid, by himself," "Yes, prepaid, by father," "Yes, unpaid, by brother," "Yes, prepaid, by himself and friends," "Yes, prepaid, by himself and brother," "Yes, prepaid, by himself and father," INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age. The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Sex. The entry in column 4 should be either M (male) or F (female).

Column 5: Married or single. The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6: Calling or occupation. The entry in column 6 should be as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between "owner" and "head of family," regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make every effort to secure prompt and correct returns should be made, if necessary, by inspections and reports at the docks before the permanent examination of aliens arrives.

Column 7: Can read and write. Each alien 14 years of age and over should be either Yes—Yes (can read and write), Yes—No (can read but not write), or No—No (can neither read nor write).

Column 8: Nationality. Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9: Race or people. See list of races or peoples at the end of these instructions. The entry in column 9 should show to what race or people the alien belongs, according to said list.

Special attention should be paid to the distinction between race and nationality, and questions should be carefully framed by inspectors and properly entered in this regard. For instance, "Hebrew," appearing in a manifest does not necessarily mean a foreigner, by race or people, as it sometimes is used to designate a nationality, as for instance, a native of Russia is sometimes described as a "Hebrew" by nationality. An alien who describes himself as a Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be carefully observed:

Cuban.

The term "Cuban" refers to the Cuban people, but not Negroes.

West Indian.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

Spanish American.

"Spanish American" refers to the people of Central and South America of Spanish descent.

African (black).

"African (black)" refers to the African Negro, whether born in the Danish, or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

Hebrew.

The people who are native to that portion of Italy south of the Canton of Ticino and the southern boundaries of Lombardy, Venetia, the Tyrol, and the eastern boundary of Piedmont, comprising Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be regarded as "Italian."

Column 10: If going to join a relative, name this relative and his relationship, if any. Any person coming to the United States to join a relative should state the name of such relative and his relationship, if any, to the person. The object of this question is to ascertain whether the immigrant is coming to join relatives or friends, or is coming to a position already secured, or whether he is coming without friends or relatives to aid him.

Where aliens are unconnected passengers of the United States and are proceeding from a place of land inland to boundary, an employee at United States immigration station should be present.

Column 11: Name and address of person whom alien intends to join. The entry in column 11 should be the name and address of the person.

Column 12: Final destination. Intending immigrants should be encouraged to go to their final destination. Where a ticket is purchased to an intermediate point, with the intention of subsequent further transportation, the entry in column 12 should show the ultimate destination. The object of this question is to ascertain whether the alien is destined to some place in the United States, or is en route to some place in foreign country. If destined to the United States, it should be stated whether to a permanent residence, or whether for a limited time. If the latter, the length of time should be stated.

Column 13: Whether having a ticket through to final destination. The entry in column 13 should be either Yes—ticket, or No—no ticket.

Column 14: Whether in possession of $50 and if not, how much less. The entry in column 14 should show definitely whether the alien has in his possession fifty dollars in money, or not, and if less than fifty dollars, how much less. In the case of a woman, it should be stated whether she has the money herself or whether it belongs to her husband, father, brother, or other relative or friend, stating which, and the amount.

Column 15: Whether in possession of railway or steamship ticket, and if so, by whom purchased. The entry in column 15 should show whether the ticket was purchased by the alien himself or by others, stating who, such as husband, father, brother, or other relative or friend, steamship company, etc.

Column 16: Whether ever before in the United States, and if so, when and where. The entries in column 16 should show whether or not. Yes or No, as the United States before and if so, the year or period of months and years, as "1894," "Fifty months."

Column 17: Coming to join husband, father, or other relative in what part of the country. The entry in column 17 should show whether going to another relative or friend, and if so, what relative or friend, with the name and complete residence.

Columns 18 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the Rotterdam, from Rotterdam, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, -30- in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age). The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 6 (Sex). The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single). The entry in column 7 should be either M (married), S (single), W (widowed), or D (divorced).

Column 8 (Calling or occupation). The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either as owner or lessee.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction, as the conditions and restrictions should be made, if necessary, by inspectors also register cities for the purpose of examination of alien arrivals.

Column 9 (Can read and write). Column 9 is subdivided and the entry should show in the other Yes (can read, and write), Yes No (can neither read nor write), or Yes No (can read but not write).

Column 10 (Nationality). Column 10 should be so construed to mean the country of which the immigrant is a citizen or subject.

Column 11 (Race or people). Special attention is called to the head of this column. The entry in column 11 should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and reports returned for correction. For instance, "Russian" appearing in column 10 is sufficient to show that the alien is a citizen or subject of Russia, but nothing more. "Russian," apparently, is not sufficient to show the race or people, and similarly, "French," "German," "English," "Irish," "Scotch," "Italian," "Mexican," "Negro," etc., are designations of race or people, and not of nationality. An alien who is Irish, German, or English may be, and frequently is, a native of Ireland, Germany, or England, and should be so described in column 10, but his race or people should be described in column 11 as Irish, German, or English, as the case may be. An alien may be a native of the United Kingdom of Great Britain and Ireland, but his race or people may be English, Scotch, Irish, Welsh, or Manx, and should be described in column 11 accordingly. Under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of the Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia; and their descendants should be classed as "Italian (north)."

Column 12 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which, after reaching the age of maturity, he shall have resided one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 12 should show the *country, and* as near as may be, place of last permanent residence. It is important for statistical purposes that steamship companies ascertain, when possible, and show entries of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests at United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 14 should show definitely the place, city, or town, of intended future permanent residence in the United States, country, or possession not in the United States.

Column 15 (Whether having a ticket to such final destination). The entry in column 15 should be either Yes (ticket), or No (no ticket).

Column 16 (By whom was passage paid). The entry in column 16 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friend; steamship company, etc.

Column 17 (Whether in possession of $50, and if less than that amount how much). The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as 1903, Philadelphia.

Column 19 (Whether going to join relative or friend, and if so, what relative or friend, with name and complete address). The entry in column 18 should show whether going to join others relatives or friends, and if so, what relative or friend, with name and complete address.

Columns 20 to 30. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—111.

Affidavit of Surgeon.

I, [illegible] Kuiper, Surgeon of the Rotterdam, SAILING THEREWITH, do solemnly, sincerely, and truly declare that I have had ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible] and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, -1- in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. — The entry in column 4 should be either M (male) or F (female).

Column 5. — *Married or single.* — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. — *Calling or occupation.* — The entry in column 6 should specify as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Compositor, stationary engineer, locomotive engineer, mining engineer, cabinet polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *former* and *time following*, regardless of the amount of money known, as follows:

Laborer — One who operates a native, either by hand or with tools.

Farmer — One who works on a farm, either for rent, wages, or share.

Farm laborer — One who works on a farm for wages and commonly boards on the premises.

Servant — This class should make little distinction on the manifests and comparatively few females should be returned by inspectors and registry clerks during the period of examination, but if necessary, by inspectors and registry clerks during the period of examination, the terms "domestic servant" and "general servant" should be used.

Column 7. — *Able to read and write.* — Column 7 is subdivided and the entries therein should be as follows: Yes—Yes—can read and write; No—No—can neither read nor write; or Yes—No—can read but not write.

Column 8. — *Nationality.* — Column 8 should be so framed as to indicate the country of which the alien claims to be a citizen or subject.

Column 9. — *Race or people.* — See list of races on back of this manifest. The entry in column 9 should be based on the declaration of the alien as to race or people, and should be independent of the nationality of the country from which he comes. The nationality should be stated in the preceding column, and in general the race or people should not be determined by the place of birth. For example, a native of Germany, speaking the Polish language, should be set down as a Pole, a native of France, speaking the German language, as a German, a native of Scotland, speaking the French language, as a Celt, a native of Wales, speaking the English language, as a Welshman, etc. Care should be taken to avoid the use of the general term "French," "Spanish," or "Italian" as the race or people of any alien who is a Celt, Teutonic, or Hebrew by race, no matter properly to which of the countries of France, Spain, Italy, Germany, or Hebrew he may be classified as belonging, or in which he may have resided. The term "Hebrew" should not be used to designate race or people, but may be used to designate religious affiliation.

Column 10. — *Last permanent residence.* — An intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intent not to return may be as long as one year shall be the last permanent residence, regardless of length of such period of residence. The entries in column 10 should show the country, and if in the United States the State, Territory, or District of last permanent residence. It is important for statistical purposes that steamship companies generally show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence, and should be questioned as to the length of their visit and the cause thereof, if necessary.

Column 11. — *Name and complete address of nearest relative or friend in country whence alien came.* — The entry in column 11 should give name and address of friend.

Column 12. — *Final destination.* — Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place—city or town, if intended future permanent residence is within the United States; country, if outside the United States.

Column 13. — *Whether having a ticket to such final destination.* — The entry in column 13 should be either Yes—ticket—or No—no ticket.

Column 14. — *Whether in possession of $50 and by whom furnished if less than that amount.* — The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15. — *If going to join a relative, name and address of such relative.* — The entry in column 15 should give in each case individually and fully the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. — *Whether ever before in the United States, and if so, when and where.* — The entry in column 16 should show whether or not Yes or No in the United States (where and when, if Yes), as 1894, Philadelphia.

Column 17. — *Whether coming to join a husband, relative, or friend.* — The entry in column 17 should show whether coming to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 18. — *Whether ever in prison or almshouse or supported by charity.* — The answers in these columns are subject to question by any inspection officer in the examination of aliens.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, comprising the Provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria (Italy), or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartiments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian (south)."

Column 20. — *Length of residence.* — An intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intent not to return may be as long as one year shall be the last permanent residence, regardless of length of such period of residence. The entries in column 20 should show the country and if in the United States the State, Territory, or District of last permanent residence. It is important for statistical purposes that steamship companies generally show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence, and should be questioned as to the length of their visit and the cause thereof, if necessary.

Column 21. — *Name and complete address of nearest relative or friend in country whence alien came.* — The entry in column 21 should give name and address of friend.

Column 22. — *Final destination.* — Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 22 should show definitely the place—city or town, if intended future permanent residence is within the United States; country, if outside the United States.

Column 23. — *Whether having a ticket to such final destination.* — The entry in column 23 should be either Yes—ticket—or No—no ticket.

Column 24. — *Whether in possession of $50 and by whom furnished if less than that amount.* — The entry in column 24 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 25. — *If going to join a relative, name and address of such relative.* — The entry in column 25 should give in each case individually and fully the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 26. — *Whether ever before in the United States, and if so, when and where.* — The entry in column 26 should show whether or not Yes or No in the United States (where and when, if Yes), as 1894, Philadelphia.

Column 27. — *Whether coming to join a husband, relative, or friend.* — The entry in column 27 should show whether coming to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 28. — *Whether ever in prison or almshouse or supported by charity.* — The answers in these columns are subject to question by any inspection officer in the examination of aliens.

GREEK.

The term "Greek" refers to the Greek people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Colored Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other points of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

Affidavit of Surgeon.

I, [illegible] KELLY, Surgeon of the U. Column 8. (*Nationality.*)—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9. (*Race or people.*)—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. The nationality, "Russian," appearing on a manifest does not necessarily mean "Teutonic" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "Latin" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. (*Last permanent residence.*)—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for a year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, but nearby, entries.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States the country of last permanent residence.

Column 11. (*Name and complete address of nearest relative or friend in country whence alien came.*)—The entry in column 11 should give name and address of said relative. If no such relative living, give name and address of friend.

Column 12. (*Final destination.*)—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, within the United States; country, if outside the United States.

Column 13. (*Whether in possession of ticket to such final destination.*)—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14. (*By whom is passage paid.*)—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15. (*Whether in possession of $50, and if less, how much.*)—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by one head of a family should not be divided among the several members of the family.

Column 16. (*Whether ever before in the United States, and if so, when and where.*)—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place (as, 1894–97, Philadelphia.

Column 17. (*Whether going to join a relative or friend; and if so, what relative or friend.*)—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, Joseph Master (Name of Master, Master, First or Second Officer), of the ..., from ..., do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter appying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm, but the man who operates it.

Steamship companies should make the first entries on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which a immigrant is a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "Hebrew" appearing on a manifest should not necessarily mean "Israel," the race or people, or ultimately, "French" appearing on a manifest does not necessarily mean "France" be nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba) (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as the year shall be the last permanent residence, regardless of length of actual successive residence. The entry in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies should clearly show country of last permanent residence, independent of country of temporary residence, but consult agents there.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of relative to whom he is going in the United States.—The entry in column 11 should give name and address of such relative. If no such relative be going, give name and address of friend.

Column 12. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. Whether having ticket to such final destination.—The entry in column 14 should be either Yes—ticket, or No—no ticket.

Column 14. Whether any person has paid passage.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15. Whether in possession of $50 and how much.—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year, or period of years, and place; as, 1893-97, Philadelphia.

Column 17. Whether going to join relatives or friends, and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. Stenger, master (state whether Master, Commander, Second Officer, etc.) of the [illegible], from [illegible], do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible]
Master ~~Officer.~~

Sworn to before me this [illegible] day of [illegible], 19[illegible],

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. [illegible] The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. [illegible] The entry in column 4 should be either M (male) or F (female).

Column 5. [illegible] *Married or single.*—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. [illegible] *Calling or occupation.*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel engraver, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 and 8. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Columns 9 and 10. Nationality.—Column 9 should be construed to mean the country of which person last was a citizen or subject.

Columns 11 and 12. Race or people.—See list of races on back of this manifest. The entry in column 11 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For example, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 20. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining a while as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 20 should show the *country, and city, or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 21. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 21 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 22. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 22 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 23. Whether having a ticket to such final destination.—The entry in column 23 should be either Yes (ticket) or No (no ticket).

Column 24. By whom was passage paid.—The entry in column 24 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 25. Whether in possession of $50, and if less, how much.—The entry in column 25 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 27. Whether ever before in the United States; and if so, when and where.—The entries in column 27 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1894-97, Philadelphia).

Column 28. Ever in prison or almshouse (or supported by charity); and if so, what relatives are there.—The entry in column 28 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 29 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

[illegible]

Affidavit of Surgeon.

I, J. R. KELLY, Surgeon of the SS "[illegible]", SAILING THEREWITH, do solemnly, sincerely, and truly swear that I have had ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Newyork - city, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this day of , 19

at NEW YORK.

Immigration Officer.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 3 and 4. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. Sex.—The entry in column 5 should be either M (male) or F (female).

Column 6. Married or single.—The entry in column 6 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7. Calling or occupation.—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 8 and 9. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Columns 10 and 11. Nationality.—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 12 and 13. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other places of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country*, and *city or town*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States (or country of last permanent residence).

Column 11. Name and complete address of nearest relative or friend in country whence came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States, county, if outside the United States.

Column 13. Whether having ticket to such final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14. By whom was passage paid?—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 17. Going to join relative or friend; and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, G. Henzer, master, of the N[illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

(Strike out words not applicable.)

Sworn to before me this [illegible] day of [illegible], 19[illegible]

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Sex.—The entry in column 4 should be M (male) or F (female).

Column 5: Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6: Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrivals.

Column 7: Can read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), Yes—No (can read but not write), or No—No (can neither read nor write).

Column 8: Nationality.—Column 8 should be construed to mean the country of which aliens are citizens or subjects.

Column 9: Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and agents should be carefully revised by inspectors and registry clerks in this regard. For example, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French," appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining residing as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country*, and if *the* last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether in possession of ticket to such final destination.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14: Whether alien was passage paid by.—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15: Whether in possession of $50, and if less, how much.—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16: Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place (as, 1893, Philadelphia).

Column 17: Whether going to join relative or friend, and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column Rear.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 8: Nationality.—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9: Race or people.—See list of races on back of this manifest. The entry in column 9 must follow the race or people given in said list.

Special attention should be paid to the distinction between race and nationality, and entries in column 9 carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" as to nationality. An alien who is Irish, German, or Hebrew by race should properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, South or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence thereon. The entry in column 10 should show the *country, and city, or town*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, not credible. [illegible]

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative is living, say "none," and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether having a ticket to said final destination.—The entry in column 13 should be either Yes, ticket, or No, no ticket.

Column 14: By whom passage paid.—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, mother, or other relative; friend, steamship company, etc.

Column 15: Whether in possession of $50 and if less, how much.—The entry in column 15 should give, in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16: Whether ever in prison or almshouse or supported by charity, where and when.—The entries in column 16 should show whether or not Yes or No, in the United States before, and if so, the year or period of years and places, as 1894-97, Philadelphia.

Column 17: Whether going to join husband or other relative or friend, and if so, what relative or friend, and his name and complete address.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. [illegible]. The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. [illegible].—The entry in column 4 should be either M. (male) or F. (female).

Column 5. [illegible] *Married or single.*—The entry in column 5 should be either M. (married), S. (single), Wd. (widowed), or D. (divorced).

Column 6. [illegible] *Calling or occupation.*—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel roller, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the wealth of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7. [illegible] *Can read and write.*—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8. [illegible] *Nationality.*—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9. [illegible] *Race or people.*—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, nor ultimately, "French" appearing on a manifest does not necessarily mean "France" as nationality. An alien who is Irish, Scotch, or Hebrew by race might properly come from the dominions of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish origin.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other countries of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy—i. e., compartments of Piedmont, Liguria, Tuscany, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10. [illegible] *Last permanent residence.*—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intent to remain, as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, nationality, or race* of last permanent residence. It is important for statistical purposes that steamship companies ascertain, show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11. [illegible] *Name and complete address of nearest relative or friend in country whence alien came.*—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12. [illegible] *Final destination.*—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place—city or town—of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. [illegible] *Whether in possession of ticket to such final destination.*—The entry in column 13 should be either Yes—ticket, or No—no ticket.

Column 14. [illegible] *Whether paid for by himself or by other person or corporation, and if so, whether by relative or friend (state which), or by what person or corporation.*—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15. [illegible] *Whether in possession of $50, and if less than $50, how much.*—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. [illegible] *Whether ever before in the United States; and if so, when and where.*—The entries in column 16 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 17. [illegible] *Whether going to join a relative or friend; and if so, what relative or friend.*—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Master, of the [illegible], from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2. Age.—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3. Sex.—The entry in column 3 should be either M (male) or F (female).

Column 4. Married or single.—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5. Calling or occupation.—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel roller, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the regular lists, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); Yes—No (can read but not write); or No—No (can neither read nor write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which person claims to be a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and entries should be carefully revised by inspectors and registry clerks in this regard. For instance, "Finnish" appearing on a manifest does not necessarily mean "French" by race or people, as in many cases "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come either the bearing of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 and 11. Last or previous residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 10 should show the *country, and city or place* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12. Name and complete address of relative in the United States whom alien joins.—The entry in column 12 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. Final destination.—Intended future permanent residence should be the legal destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place—city or town—of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. Whether in possession of $50 and if less how much.—The entry in column 14 should be either Yes (cash) or No (no cash).

Column 15. If ticket was paid for.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16. Whether in possession of $50, and if less, how much.—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place or places, as 1894-97, Philadelphia.

Column 18. Whether going to join relatives or friends, and if so, what relatives or friends.—The entry in column 18 should show whether going to join (name) a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. R. KELLY, Surgeon of the Rotterdam, SAILING THEREWITH, do solemnly, sincerely, and truly Swear that I have had ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Pennsylvania, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes. Yes—can read and write). No—No—can neither read nor write, or Yes—No—can read but not write).

Columns 8. Nationality.—Column 8 should be construed to mean the country of which [illegible] citizen or subject.

Columns 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "English" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, South or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend remaining in alien's country or last residence.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. Whether in possession of ticket to such final destination.—The entry in column 14 should be either Yes—ticket or No—no ticket.

Column 14. By whom passage paid.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15. Whether in possession of $50, and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place (as, 1894-'97, Philadelphia).

Column 17. Whether going to join relative or friend, and if so, what relative or friend.—The entry in column 18 should show whether going to () in either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 12 to 17.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

I, G. F. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1, 2. — The return of age in column 2 should be expressed in years of months for infants under one year old, the latter appearing only to the nearest birthday.

Column 3. — The entry in column 3 should show the [illegible] Married or Single. Widowed, or Divorced.

Column 4. Calling or occupation. — The entry in column 4 should show the occupation, trade, or profession of each alien, as laborer, clerk, etc., as far as possible. Do not enter the general terms, laborer, engineer, or clerk, but the particular kind of laborer, as farm laborer, coal miner, etc., and the particular kind of engineer, as civil engineer, mining engineer, etc., and the particular kind of clerk, as bank clerk, etc., and not simply as engineer, laborer, or clerk, or other kind of operative.

A distinction should be made between "farmer" and "farm laborer," regardless of the amount of money he owns, as follows:

A farmer is a person who operates a farm, either as owner or tenant.

A farm laborer is a person who works on a farm, or for the management thereof.

Stewardesses on passenger steamships should make their declarations as "stewardesses," and not as "servants." Cooks should be made, if necessary, by inspectors and registry clerks, obtain the personal history of such aliens, as follows:

A cook who cooks in a private family should be returned as a "servant."

A cook who cooks in a restaurant, hotel, or boarding house should be returned as a "laborer."

A cook who cooks on a vessel should be returned as a "seaman."

Column 5. Able to read and write. — This column is subdivided, and the entry in column 5 should be either Yes—Yes, can read and write; Yes—No, can read but not write; or No—No, can neither read nor write.

Yes—No, can read but not write.

Column 6. Nationality. — Columns 6 should be returned to indicate the country of which person named is a citizen or subject.

Column 7. Race or people. — See list of races on back of this manifest. The entry in column 7 should show the race or people of which each alien is a member.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "German" appearing on a manifest as the race or people of an alien is unobjectionable, but "German" appearing on a manifest as the nationality means "French" by race or people, and similarly, "French," appearing on a manifest as the nationality means "German" by race or people. An alien who is Irish, German, or Hebrew by race usually possesses the nationality of United Kingdom, or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN, BLACK.

"African, black" refers to the African Negro, whether coming from Cuba or other countries in the West Indies, North or South America, Europe, or Africa. Any alien with any admixture of blood of the African Negro should be classified under this heading.

HEBREW.

The people who are native to that portion of Palestine in the basin of the River Jordan, except the Samaritans, Vandals and Lazchi, and their descendants, who do not profess the Jewish religion, and Vaudois, Hungarians, or any other country, should be classified as "Hebrew (north)." Most of these people speak a Yiddish dialect of the Parsee language.

ITALIAN (south).

The people who are native to that portion of Italy south of the basin of the River Po, except Istrians, Venetians, Tuscans, the Marches, Umbrians, Romans, the Abruzzi and Molise, Campanians, Apulians, Basilicata, Calabria, Sicily, and Sardinians, and their descendants, should be classified as "Italian (south)."

Column 8. If previously in the United States, when and where. — An intended residence for a very restricted constitutes permanent residence. The last country in which aliens resided with a view to permanent residence, regardless of length of stay, is the country that shall be the last permanent residence regardless of length of stay, is the country of last residence. The entry in column 8 should show the country, if any, of last permanent residence. It is no matter for statistical purposes that steamship companies accepted, when country of last permanent residence indeed, but not country of temporary residence, entered.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 9. Name and complete address of friend. — If no friend, relative, name and address of friend.

The entry in column 11 should give name and address of such relative.

Column 10. Final destination. — Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 10 should show definitely the place—city or town, or extended future permanent residence, within the United States, country, not outside the United States.

Column 11. Whether having a ticket through and final destination. — The entry in column 11 should be either Yes—ticket or No—no ticket.

Column 12. Whether in possession of $50 and if less, how much. — The entry in column 12 should show whether or not the alien has in his possession at least $50 in money, and if less, how much. If the alien is in possession of less than $50, the amount possessed should be stated in even dollars, as $30, $40, etc.

Column 13. Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address. — The entry in column 13 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Column 14. Person. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. R. KELLY, Surgeon of the SS "Rotterdam", SAILING HEREWITH, do solemnly, sincerely, and truly swear that I have had ten years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 17 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (*Age*).—The return of age in column 2 should be expressed in years or month, the latter applying only to those under 1 year of age.

Column 3 (*Sex*).—The entry in column 3 should be either M (male) or F (female).

Column 4 (*Married or single*).—The entry in column 4 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (*Occupation*).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien, stating specifically whether he is a laborer, farmer, clerk, tailor, shoemaker, stationary engineer, locomotive engineer, machinist, engineer, painter, glazier, stone-cutter, stone mason, bricklayer, mason, miner, etc., and not simply as engineer, mechanic, laborer, merchant, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the character of work, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for wages paid by some man who operates it.

Laborer.—Laborers should never be entered on the lists as such, and carters and porters, companies, should never be entered on the lists as such, and carters and porters, etc., must be accurately described according to the character of the work they have been accustomed to perform, as follows:

Porter in store and *carter*.—Occupation of a man employed and the nature of the work he has been accustomed to perform, as follows: Porter in dry-goods store, carter and driver, teamster, etc.

Can read and *can write*.—Column 6 is subdivided and the entry required therein is either Yes or No. Any one who can read and write will write Yes, Yes; one who can read but not write, Yes, No; one who can neither read nor write, No, No; one who can read but not write, No, Yes.

Nationality.—Column 7 should be construed to mean the country of which a person is a native or citizen or subject.

Race or people.—See list of races on back of this manifest. The entry in column 8 should be made from the description as given in said list.

Special attention should be paid to the distinction between race and nationality, and care should be taken not to confuse the two. In this regard. For example, a native of Germany may be of the Hebrew race, a native of Russia may be of the Polish race, a native of England may be of the Welsh race, a native of Scotland may be of the Celtic race, a native of France may be of the Basque race, a native of Turkey may be of the Armenian race, a native of Spain may be of the Basque race, a native of Ireland may be of the Celtic race, a native of Germany may be of the Bohemian race, a native of Austria may be of the Bohemian race, a native of Switzerland may be of the Basque race, a native of Italy may be of the Basque race, a native of Portugal may be of the Basque race, a native of Greece may be of the Basque race, a native of Turkey may be of the Basque race, a native of Russia may be of the Basque race, a native of Poland may be of the Basque race, a native of Germany may be of the Basque race, a native of Austria may be of the Basque race, a native of Switzerland may be of the Basque race, a native of Italy may be of the Basque race, a native of Portugal may be of the Basque race, a native of Greece may be of the Basque race, a native of Turkey may be of the Basque race, a native of Russia may be of the Basque race, a native of Poland may be of the Basque race.

CUBAN.

The term "Cuban" refers to the Cuban people of Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African, (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Country of last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entries in column 10 should show the *country, and its part*, of last permanent residence. It is important, for statistical purposes, that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative living, give name and address of friend.

Column 12 (*Final destination*).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (*Whether having ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (*Whether paid by self or by other person or corporation, and if by other person or corporation, state relationship, if any, of such person, or name of corporation*).—The entry in column 14 by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (*Whether in possession of $50, and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States; and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1891-97, Philadelphia.

Column 18 (*Going to join relative or friend; and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Inspector Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or Single). The entry in column 5 should be either M (married), S (single), Wd. (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien above 14 years of age, whether actually employed at the time of sailing or not. Wives, children, and persons of no occupation should be returned as "none." Laborers, without specification, should be returned as such. Do not use indefinite descriptions like "manufacturer," "dealer," "engineer" (except civil, mining, mechanical, electrical, or steam engineer), "clerk," "agent," "contractor," "operative," "mechanic," or "servant" unless preceded by such words as will indicate the character of the occupation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in possession.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for a man who operates it.

Steamship companies should make the entries in the manifests agree with the above. Do not use "gentleman," "lady," "capitalist," "speculator," "stockholder," "investor," "boarding house keeper," "landlord," "landlady," "hotel keeper," "saloon keeper," "restaurant keeper," "dealer in real estate," "publisher," "author," "editor," "journalist," "banker," "baker," "grocer," "butcher," "tailor," "blacksmith," "miller," "weaver," "shoemaker," "messenger," "porter," "driver," "conductor," "foreman," "fireman," "machinist," "teamster," "chauffeur," "helper," "servant," "waiter," "cook," "housekeeper," "barber," "student," "clergyman," "musician," "actor," "actress," "professor," "lawyer," "physician," "surgeon," "dentist," "veterinary surgeon," "nurse," "midwife," "scientist," "chemist," "aeronaut," "aviator," "missionary," "secretary," "stenographer," "typewriter," "bookkeeper," "accountant," "clerk," "agent," "contractor," "operative," "mechanic," or "engineer" (except civil, mining, mechanical, electrical, or steam engineer), unless preceded by such words as will indicate the character of the occupation.

Column 7 (Able to read or write). Columns 7 to 9, inclusive, are self-explanatory and the entries thereon, except stowaways, should be Yes or No. Yes or No can neither read nor write, or Yes or No can read or can not read.

Column 8 (Nationality). Columns 8 and 9 are combined to obtain the country of which a passenger is a subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list or manifest.

Special attention is called to the distinction between race and nationality, and care should be taken that proper entries are made in these columns. Thus, persons born in Scotland should not necessarily be returned as "Scotch," persons born in Ireland as "Irish," persons born in Germany as "German," persons born in England as "English," persons born in Wales as "Welsh," persons born in Bohemia as "Bohemian," persons born in France as "French," persons born in Switzerland as "Swiss," persons born in Holland as "Dutch," persons born in Turkey as "Turkish," persons born in Greece as "Greek," persons born in Spain as "Spanish," persons born in Portugal as "Portuguese," persons born in Scandinavia as "Scandinavian," persons born in Mexico as "Mexican," persons born in Cuba as "Cuban," persons born in the West Indies as "West Indian," persons born in Central America as "Central American," persons born in South America as "South American," persons born in Asia as "Asiatic," persons born in Africa as "African," persons born in Australia as "Australian," persons born in New Zealand as "New Zealander," persons born in the Philippine Islands as "Filipino," persons born in the Hawaiian Islands as "Hawaiian," persons born in the Samoan Islands as "Samoan," persons born in the Canal Zone as "Canal Zone," persons born in Porto Rico as "Porto Rican," persons born in the Virgin Islands as "Virgin Islander," persons born in the Danish West Indies as "Danish West Indian," persons born in the British West Indies as "British West Indian," persons born in the French West Indies as "French West Indian," persons born in the Dutch West Indies as "Dutch West Indian," persons born in the Republic of Haiti as "Haitian," persons born in the Republic of Santo Domingo as "Santo Domingan," persons born in the Republic of Liberia as "Liberian," persons born in the Republic of Panama as "Panaman," persons born in the Republic of Nicaragua as "Nicaraguan," persons born in the Republic of Honduras as "Honduran," persons born in the Republic of Salvador as "Salvadorean," persons born in the Republic of Guatemala as "Guatemalan," persons born in the Republic of Costa Rica as "Costa Rican," persons born in the Republic of Colombia as "Colombian," persons born in the Republic of Ecuador as "Ecuadorean," persons born in the Republic of Peru as "Peruvian," persons born in the Republic of Bolivia as "Bolivian," persons born in the Republic of Chile as "Chilean," persons born in the Republic of Argentina as "Argentinian," persons born in the Republic of Paraguay as "Paraguayan," persons born in the Republic of Uruguay as "Uruguayan," persons born in the Republic of Brazil as "Brazilian," persons born in the Republic of Venezuela as "Venezuelan," persons born in the Republic of Guiana as "Guianese," persons born in the Republic of Dutch Guiana as "Dutch Guianese," persons born in the Republic of Liberia as "Liberian," persons born in the Republic of Haiti as "Haitian," persons born in the Republic of Santo Domingo as "Santo Domingan

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, 2nd Officer of the Reicher - from Hamburg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. I, or number, and that from the report of said surgeon and from my own investigations, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be M for male or F for female.

Column 5 (Married or single). The entry in column 5 should be M for married, S for single, Wd for widowed, or D for divorced.

Column 6 (Calling or occupation). The entry in column 6 should show the calling or occupation of each alien having such, whether skilled or unskilled, as farmer, laborer, servant, mechanic, clerk, merchant, etc. Persons of no occupation, as housewives, children, etc., should be returned as such. Under no circumstances should the general terms "laborer," "servant," "mechanic," "clerk," "merchant," "manufacturer," or "agent" be used unless specifically modified to indicate the character of labor performed, as "farm laborer," "coal miner," "cotton mill operative," "shoemaker," "dry-goods salesman," "importing merchant," "manufacturing agent," etc. In this connection the following definitions are inserted:

A farmer is one who cultivates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Partnership companies should state this fact, and the number and character of the members composing the firm.

Aliens returning to their homes after visiting the United States for a temporary period should be described as they were when they came to the United States, and not as they appear on their return.

Column 7 (Able to read and write). Under the head of "Yes" or "No" the entry in column 7 should show whether the alien can read and write the English language or some other language or dialect. Any person who can read can write sufficiently to comply with this requirement, and the entry should not be "Yes" unless the person can write as well as read.

Column 8 (Nationality). The entry in column 8 should show the country of which the immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people to which each alien belongs, as English, French, German, Italian, Spanish, Scotch, Irish, Dutch, Flemish, Swedish, Norwegian, Russian, Finnish, Polish, Hebrew, Bohemian, Slovak, Magyar, Croatian, Servian, Ruthenian, Portuguese, Roumanian, Greek, Lithuanian, or Bulgarian, as the case may be. Special attention should be paid to distinguishing between the Hebrew and the Semitic races, and between the Slovak, Magyar, Croatian, Servian, Ruthenian, Roumanian, Bulgarian, and Dalmatian peoples and the Russian, Polish, Bohemian, and Austrian. The word "Hebrew" is not to be used in connection with any of the races or peoples mentioned in this paragraph, nor is it to be used in connection with any other race or people, as it does not indicate race or people. In this connection the following definitions are inserted:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negroes, whether coming from Cuba or other West Indies, Central or South America, Europe or Africa. Any alien whose race is in any doubt or who is known to have negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia and their descendants, whether born in the United States, Austria-Hungary, or some other country, should be classed as North Italians. Most of these people possess a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, comprising Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether born in the United States or in some other country, should be classed as South Italians. They usually possess a Latin dialect of the Italian language.

Column 10 (Last permanent residence). The entries in column 10 should show the country of last permanent residence. It is important for statistical purposes that the entry should show country of last permanent residence and not place of temporary residence, nationality, or race.

Where the passengers' last permanent residence was the United States and they are returning from a visit abroad they are not to be classified or manifested as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence came). The entry in column 11 should give name and address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the place, city, or town of final destination if within the United States; country, if the place be without the United States.

Column 13 (Whether having a ticket through, and if not, how much paid, and by whom). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50, and if less, how much). The entry in column 14 should show whether the alien was assisted, as to funds, by father, brother, or other relative or friend, or by steamship company, etc.

Column 15 (Whether in possession of $ 50, and if less, how much). The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where). The entries in column 16 should show whether or not Yes or No in the United States and, if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend). The entry in column 17 should show whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 25. The answers in these columns are subject to revision by any inspector who may examine the alien.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, 2nd Officer, of the Pilcher, from Hamburg, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, numbered from 1 to number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, an imbecile or a feeble-minded person, or insane person, or a pauper, or a likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or an advocate of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

2nd Officer

Sworn to before me this day of June 1911.

at New York

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years if possible, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age, including wives and children, if they have any. Laborers, laborers on farms, and laborers (not specifying what kind of labor) should be so returned. Many aliens return their occupation as "farmer," when in fact they have no land, and are only laborers on farms. Such persons should be returned as "farm laborers," unless they own the farms which they till, in which case they should be returned as "farmers."

A "gentleman" is one who has a fortune sufficient to support him without labor, and the amount of money shown as belonging to each alien should be sufficient for that purpose.

A "farmer" is one who operates a farm, either for himself or others.

A "farm laborer" is one who works on a farm for wages paid by the owner who operates it.

Steamship companies should cause this description and the numbers on the corresponding manifest to be legible, a typewriter being preferred. The inspection officials at the several ports of entry will be required to report to the Commissioner-General of Immigration the names of any steamship companies whose manifests are illegibly prepared.

Column 7 (Able to read and write). Column 7 is subdivided, and the entries therein should be either Yes or No. Can read and write. No. No. can neither read nor write. Yes or Yes. No can read but can not write.

Column 8 (Nationality). Country to be considered as that of nationality of which foreigner is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of first manifest.

Special attention should be paid to the distinction of races and nationalities, and care should be exercised to prevent the erroneous return of Hebrews, Negroes, Germans, Italians, Spaniards, etc., as belonging to the so-called Caucasian race. French, Scotch, Irish, English, Welsh, Dutch, Flemish, Belgian, Swiss, Norwegian, Danish, Swedish, Russian, Polish, Bohemian, Moravian, Slovak, Finnish, Turkish, Armenian, Syrian, Spanish, Portuguese, Italian (North), Italian (South), West Indian, Mexican, Cuban, Central American, South American, Japanese, Chinese, Indian (Hindoo), Korean, Burmese, Siamese, Arabian, African (Black), Pacific Islander, Other races or peoples.

The following additional descriptions are intended to specify clearly the classes to be returned under the various headings:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban or Negroes.

SOUTH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other countries of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether born in the United States, Austria-Hungary, or any other country, should be classed as "Italian north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., comprising Tuscany, the Marches, Umbria, Rome, the Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian south."

Column 10 (Last permanent residence). The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that the country where the alien has resided for a long period of time should be recorded, and not necessarily the country where he was born. Aliens who are permanent residents of the United States and are returning from a temporary visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. It is not sufficient to give merely post-office address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the place—city or town if possible—to which the alien is destined if within the United States; country, if not. The United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes, ticket, or No, no ticket.

Column 14 (By whom was passage paid). The entry in column 15 should show whether the money by whom passage was paid is self, kin, friend, father, brother, or other relative or friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much). The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries in column 17 should show whether or not Yes or No in the United States before, and if so the year or period of years and place—as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 (Ho. or Sp.). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

Persons of different races frequently have the same nationality. Persons of the same race frequently have different nationalities. Thus, a native of Germany may be of the Hebrew race; a native of Russia may be of the Hebrew race; a native of England may be of the Hebrew race. Persons of the Hebrew race may be of any nationality. Most of these people speak a dialect of the so-called Italian language.

Column 18. Whether accompanied by husband, wife, or children, and if so, how many of each, and their names. The entry in column 18 should show whether the alien is accompanied by husband, wife, or children, and if so, how many of each, and their names.

Column 20. Whether ticket was paid for by himself or others, and if by others, whether by relatives or friends, or by employer, or by charitable society, or by what other person or corporation. The entry in column 20 should show whether the ticket was paid for by the alien himself or by others, and if by others, whether by relatives or friends, or by employer, or by charitable society, or by what other person or corporation.

Column 21. Whether in possession of a railroad ticket or other ticket or passage paid to any place beyond the port of arrival, and if so, where. The entry in column 21 should show whether the alien has a railroad ticket or other ticket or passage paid to any place beyond the port of arrival, and if so, where.

Column 22. The alien's height. The entry in column 22 should be expressed in feet and inches.

Column 23. The alien's complexion. The entry in column 23 should be "Fair," "Dark," "Ruddy," or "Pale."

Column 24. Color of hair and eyes. The entry in column 24 should be "Light," "Dark," "Brown," "Black," "Gray," "Blue," "Hazel," or "Auburn."

Column 25. Marks of identification. The entry in column 25 should be "Scar on face," "Mole on neck," "Crippled right hand," "Wooden leg," or "Blind in left eye," or other visible distinctive mark or peculiarity.

Column 26. Whether a native of the island, city, or town where now living, and if not, where born. The entry in column 26 should show whether the alien was born in the island, city, or town where he is now living, and if not, where he was born.

Column 27. Nationality. The entry in column 27 should be the name of the country of which the alien is a citizen or subject.

Column 28. Race. Specify to which of the races mentioned the alien belongs.

Special attention is called to the distinction between race and nationality, and inattention to this has led to important errors. Nationality refers to the country to which a person belongs politically, as a citizen or subject. Race refers to descent or lineage, and generally to birth. Persons of different races frequently have the same nationality. Persons of the same race frequently have different nationalities. Thus, a native of Germany may be of the Hebrew race; a native of Russia may be of the Hebrew race; a native of England may be of the Hebrew race. Persons of the Hebrew race may be of any nationality. So, also, persons of the Celtic race may be of any nationality. So, also, persons of the Anglo-Saxon race may be of any nationality. In this

I, [illegible], of the S. S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and inspectors should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). — The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. , Surgeon of the S. S. ", sailing therewith, do solemnly, sincerely, and truly swear that I have had years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of **the German Government**, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, 2nd Officer, of the S. S. .., from **Hamburg**, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. NINE in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard, for instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11–111.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the Lower Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). — The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of friend if no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much). — The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18. (Going to join relative or friend; and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the S. S. [illegible], sailing therewith, do solemnly, sincerely, and truly swear that I have had nine years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of **the German Government**, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit", those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect or the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last permanent residence). — The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative friend, steamship company, etc.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation. — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11–111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence. — The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came. — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14. Whether having a ticket to such final destination. — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18. Going to join relative or friend; and if so, what relative or friend. — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, 2nd Officer, of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass-polisher, steel-polisher, iron molder, wood-turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries thereon should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and such lists should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). — The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town, of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16. (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Nine in number, and that from the report of said surgeon and from my own personal observation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or epileptic, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or a person coming in pursuance of any prearranged promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a person coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that each and every statement made in said List or Manifests concerning each of said aliens is true according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens called for therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as definitely as possible the occupation, trade, or profession of each alien arrived, as he or she declares what he will follow in this country. Persons formerly engaged in any occupation, whether actively employed at it or not, should be returned according to such occupation, as, for example, engineer, locomotive engineer, mining engineer, stationary engineer, consulting engineer, civil engineer, mechanical engineer, naval engineer, marine engineer, electrical engineer, etc., and not simply as engineer. Other persons, such as laborers, should be described as bricklayer, carpenter, cooper, engineer, farmer, fireman, laborer, mason, merchant, miner, painter, shoemaker, tailor, tinsmith, weaver, or other definite designations.

Care should be taken to distinguish between *farmers* and *farm laborers*, regardless of the nationality returned, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Particular attention is directed to the necessity for making the corrections and changes in the foregoing particulars, as directed on the manifests and corrections should make this distinction on the manifests and corrections. This information, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries should be either Yes or No. Yes can read and write; No. No can neither read nor write. Yes, No can read but not write.

Column 8 (Nationality). — Column 8 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people to which each alien belongs. Specific instructions in regard to this matter are printed on back of this manifest.

Special care should be paid to the distinction between race and nationality, and the latter should be carefully revised by inspectors and registry clerks in this regard. For example, "France" appearing on a manifest does not necessarily mean "French," by race, "Germany" appearing on a manifest does not necessarily mean "German," by race, "French" appearing on a manifest does not necessarily mean "French," by race, "Irish," "German," or Hebrew by race, "Scotch," "English," "Welsh," "Swedish," "Norwegian," "Danish," "Dutch," "Belgian," "Swiss," "Spanish," "Portuguese," "Italian," "Russian," "Turkish," "Greek," "Syrian," "Bulgarian," "Roumanian," "Hungarian," "Finnish," "Bohemian," "Moravian," "Slovak," "Croatian," "Servian," "Ruthenian," "Polish," "Japanese," "Chinese," "Indian," "Negro," "Mexican," "Cuban," "West Indian," "Spanish American," "Central American," "South American," "Pacific Islander," "East Indian," "Arabian," "African (Black)," "Other races," "Other peoples," "Other nationalities," or other indefinite designations.

Persons coming from Cuba, Mexico, the West Indies, Central America, South America, Europe, Asia, Africa, Australia, or the islands of the sea, should be returned according to the country from which they severally came, and not according to the country whence they sailed. Under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

11—111

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (northern)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (southern)."

Column 10 (Last permanent residence). — The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes, ticket or No two tickets.

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, bookkeeper, salesman, cashier, clerk, tailor, dressmaker, milliner, seamstress, upholsterer, painter, carpenter, cabinetmaker, furniture polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, the same to be verified, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided, and the entries thereon should be either Yes—Yes can read and write), No—No can neither read nor write), or Yes—No can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For example, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

11–1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venezia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last permanent residence). — The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town, of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom sent, if passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). — The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). — The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). — The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). — The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). — Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). — Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). — The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similary, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)". Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)".

Column 10 (Last permanent residence). — The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). — The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). — The entry in column 12 should show definitely the place, city or town of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). — The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). — The entry in column 16 should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). — The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend). — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 19 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

*Write the name of the city or town, and also the country, from which the alien last came to the place where he now lives. Do not answer "United States" to this question. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2. [Age.] The return of age in column 2 should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 3. [Sex.] Separately as to males and females. Write M male or F female.

Column 4. [Married or single.] The entry in column 4 should be either M (married) or S (single). Widowed or divorced persons should be returned as single.

Column 5. [Calling or occupation.] The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as far examples: Clerk, engineer, mechanical engineer, mining engineer, farming engineer, house painter, steel worker, iron worker, wood turner, etc., and not simply as engineer, painter, worker, farmer, laborer, without further description.

A clear distinction should be made between farmer and farm laborer, regardless of the capital invested by the former, as follows:

If owning or operating a farm, either for himself or others, he is a farmer.

If working on a farm, but not operating it, he is a farm laborer.

Special attention is directed to the necessity for the distinction in the statistics and correctness in the entry in this column, and inspection officers during the personal examination of aliens should question them closely in this regard.

Column 6. [Can read?] This column is to be answered Yes or No. If the person can read in any language, write Yes; if he cannot read, write No. No one can neither read nor write, or part read and part write, should be returned as able to read.

Column 7. [Can write?] This column is to be answered Yes or No. If the person can write in any language, write Yes; if he cannot write, write No. No one can neither read nor write, or part read and part write, should be returned as able to write.

Column 8. [Nationality.] The word "nationality" is to be understood to mean the country of which the alien subject or citizen claims to be a native.

Special attention is directed to the distinction between race and nationality, and care should be exercised in answering inquiries in respect to said registry clerks in this regard. For example, the native of England is of the Anglo-Saxon race; the native of Ireland, of the Celtic race; the native of Scotland, of the Celtic or Anglo-Saxon race, according to locality whence they came; the native of France is of the Latin race; the native of Germany is of the Teutonic race; the native of Russia is of the Slavonic race; the native of Turkey is of the Turanian or Ural-Altaic race; the native of Holland is of the Teutonic race; the native of Greece is of the Hellenic race; the native of Spain is of the Latin race; the native of Portugal is of the Latin race; the native of Italy is of the Latin race; the native of Sweden is of the Teutonic race; the native of Norway is of the Teutonic race; the native of Denmark is of the Teutonic race; the native of Poland is of the Slavonic race; the native of Bohemia is of the Slavonic race; the native of Austria is of the Slavonic race; the native of Hungary is of the Ural-Altaic race; the native of Finland is of the Ural-Altaic race; the native of Lapland is of the Ural-Altaic race; the native of Wales is of the Celtic race; the native of Scotland is of the Celtic race; the native of Ireland is of the Celtic race; the native of Canada is of the Anglo-Saxon race; the native of Mexico is of the Latin race; the native of Cuba is of the Latin race; the native of Porto Rico is of the Latin race; the native of Hawaii is of the Polynesian race; the native of Japan is of the Mongolian race; the native of China is of the Mongolian race; the native of Africa is of the Negro race; the native of Australia is of the Australian race; the native of New Zealand is of the Polynesian race; the native of Philippine Islands is of the Malay race; the native of Cape Colony is of the Negro race; the native of Liberia is of the Negro race; the native of Hayti is of the Negro race; the native of Jamaica is of the Negro race; the native of Barbadoes is of the Negro race; the native of Trinidad is of the Negro race; the native of Bermuda is of the Negro race; the native of Bahama Islands is of the Negro race; the native of Dutch Guiana is of the Negro race; the native of French Guiana is of the Negro race; the native of Central America is of the Latin race; the native of South America is of the Latin race; the native of West Indies (other than those named) is of the Negro race; the native of Cuba is of the Negro race; the native of Porto Rico is of the Negro race; the native of Canada is of the Anglo-Saxon race; the native of Mexico is of the Latin race; the native of Cuba is of the Negro race; the native of Porto Rico is of the Negro

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Line). The return stage in column 1 should be expressed in figures only, the latter appearing only on the printed form. Page

Column 2. Name. Plainly write in full the surname (family name) and given name of each person. Initials are not sufficient. Write the surname first, then the given name and middle name, if any. Titles, such as "Mr.," "Mrs.," "Miss," "Dr.," "Rev.," etc., should be omitted.

Column 3. Whether a citizen or subject. Do not enter a country unless it can be stated definitely as to each person. Write "citizen" opposite the name of every native citizen of the United States, whether native or naturalized. Write "subject" opposite the name of every alien subject of a foreign country. Thus: "citizen" or "subject of Germany," "citizen" or "subject of Great Britain," "citizen" or "subject of France," etc. Do not use the word "native" alone, as it does not necessarily mean "citizen" of the country specified. An alien who has lived in the United States for many years, or who has married a citizen of the United States, or who has taken out his first papers, is still a subject of his native country, and not of the United States.

Column 4. Race or people. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

[illegible] The color of eyes and complexion should be expressed in words, the latter applying to the face under 1 year of age.

[illegible] The entry in column 5 should be either M (male) or F (female).

[illegible] Married or single. The entry in column 6 should be either M (married) or S (single). Widowed persons should be returned as married.

[illegible] Calling or occupation. The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, mechanical engineer, mining engineer, farmer, laborer, servant girl, merchant, tailor, shoemaker, weaver, lawyer, etc., and not simply as engineer, preacher, mechanic, servant, or other indefinite description.

A distinction should be made between *farmers* and *farm laborers*, regardless of the word "farmer" as follows:

A person who operates a farm, either his own or another's, is a farmer.

A person who works on a farm for wages, salary, or a share of the crops, but who does not operate a farm, is a farm laborer.

A person who operates a farm and owns a portion of the farm he operates should make the distinction as to "farmer" and "farm laborer" according to the work he does, and not according to the proportion of ownership.

[illegible] Nationality. The nationality of the people described in the manifest. The words "Nationality of the people" mean the country of which [illegible].

[illegible] Race or people. The entry in column 9 should describe as accurately as possible the race or people to which each alien belongs, as for example: English, German, Irish, Italian, Spanish, Scotch, French, Dutch, Swedish, Norwegian, Russian, Polish, Hebrew, Bohemian, Magyar, Slovak, Roumanian, Portuguese, Japanese, Chinese, Turkish, East Indian, Negro, Ruthenian (Russniak), Croatian, Servian, Lithuanian, Finnish, Dalmatian, Bulgarian, Slovenian, Moravian, Montenegrin, Greek, Cuban, West Indian, Scandinavian, Mexican, Spanish-American, South American, Central American, Pacific Islander, Arabian, Indian (Hindoo), Syrian, Armenian, Turkish, Corean, Australian, New Zealander, and Maori. No one of these races or peoples should be returned as of any other than one of these races or peoples. The word "race" is frequently used in a sense synonymous with nationality, but it has a more restricted meaning. Thus, the race or people to which a Welshman belongs is Welsh, not British; that to which a Highlander belongs is Celtic, not Scotch; that to which a Canadian belongs is English, French, or Indian, not Canadian; that to which a Flemish person belongs is Flemish, not Belgian; that to which a Cuban belongs is Spanish, not Cuban; that to which a Bohemian belongs is Bohemian, not Austrian; that to which a Welsh person belongs is Welsh, not English; that to which a Manx person belongs is Manx, not English; that to which a Cornish person belongs is Cornish, not English; that to which a Lowland Scotch person belongs is Lowland Scotch, not Scotch; that to which a Highland Scotch person belongs is Celtic, not Scotch; that to which a Canadian-French person belongs is French, not Canadian; that to which a Canadian-Indian belongs is Indian, not Canadian; that to which a Canadian-Scotch belongs is Scotch, not Canadian; that to which a Canadian-Irish belongs is Irish, not Canadian; that to which a Canadian-Negro belongs is Negro, not Canadian; that to which a Canadian-Acadian belongs is Acadian, not Canadian; that to which a Canadian-Italian belongs is Italian, not Canadian; that to which a Canadian-Spanish belongs is Spanish, not Canadian; that to which a Canadian-Portuguese belongs is Portuguese, not Canadian; that to which a Canadian-Chinese belongs is Chinese, not Canadian; that to which a Canadian-Japanese belongs is Japanese, not Canadian; that to which a Canadian-Hebrew belongs is Hebrew, not Canadian; that to which a Canadian-Russian belongs is Russian, not Canadian; that to which a Canadian-Finn belongs is Finn, not Canadian; that to which a Canadian-Bohemian belongs is Bohemian, not Canadian; that to which a Canadian-Magyar belongs is Magyar, not Canadian; that to which a Canadian-Slovak belongs is Slovak, not Canadian; that to which a Canadian-Roumanian belongs is Roumanian, not Canadian; that to which a Canadian-Portuguese belongs is Portuguese, not Canadian; that to which a Canadian-Greek belongs is Greek, not Canadian; that to which a Canadian-Cuban belongs is Cuban, not Canadian; that to which a Canadian-West Indian belongs is West Indian, not Canadian; that to which a Canadian-Pacific Islander belongs is Pacific Islander, not Canadian; that to which a Canadian-Australian belongs is Australian, not Canadian; that to which a Canadian-New Zealander belongs is New Zealander, not Canadian; that to which a Canadian-Maori belongs is Maori, not Canadian; that to which a Canadian-Arabian belongs is Arabian, not Canadian; that to which a Canadian-Indian belongs is Indian, not Canadian; that to which a Canadian-Syrian belongs is Syrian, not Canadian; that to which a Canadian-Armenian belongs is Armenian, not Canadian; that to which a Canadian-Turkish belongs is Turkish, not Canadian; that to which a Canadian-Corean belongs is Corean

ITALIAN (NORTH).

The people elsewhere native to the basin of the River Po in northern Italy (i. e., comprising those of Piedmont, Lombardy, Venetia, and Umbria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, North." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising those of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, South."

Column 11. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining for a year or more must be given as the last permanent residence, regardless of length of actual residence thereat. The entry in column 11 should show the country and place of last permanent residence. It is important for statistical purposes that steamship companies adhere strictly to the permanent residence (independent of country of) temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 12 should give name and address of such relative. If no such relative or friend, give name and address of friend.

Column 13. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place, city, or town, of intended future permanent residence, as well as the United States country, or outside the United States.

Column 14. If going to join relative or friend, his destination.—The entry in column 14 should be either Yes (ticket) or No (no tickets).

Column 15. Who paid passage.—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16. Whether in possession of $50, and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money shown by the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States, and if so, when and where.—The entries in column 17 should show whether or not Yes or No in the United States before, and if so, the year or period of years and place, as, 1894-97, Philadelphia.

Column 18. Whether going to join relatives or friends, and if so, what relatives or friends.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 43.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 9 (Age).—The return of age in column 9 should be expressed in years or months, the latter applying generally to infants under 1 year of age.

Column 10 (Sex).—The entry in column 10 should be M (male) or F (female).

Column 11 (Married or single).—The entry in column 11 should be either M (married) or S (single). Widowed and divorced persons should be returned as single.

Column 12 (Calling or occupation).—The entry in column 12 should describe as accurately as possible the occupation, trade, or profession of each alien 14 years of age and over, whether actually employed at work or not at the time of his application for admission. Do not return laborers, farmers, or engineers, including stationary, locomotive, hoisting engineers, mining engineers, etc., as such, unless they actually follow one of those occupations as a trade. Do not return dressmakers, seamstresses, milliners, etc., as such, unless actually following the occupation. Do not return as laborers persons who have been engaged in other occupations, but who are seeking employment.

A distinction should be made between "Scholar" and "No occupation," regardless of the amount of money shown, as follows:

"Scholar" is to be applied to persons 6 years old and over who can read and write, and who declare that they have been attending school during the previous year.

"No occupation" is to be applied to persons 14 years old and over who can read and write, or who can read but not write, and who declare that they have been engaged in no occupation during the previous year.

"No occupation" is also to be applied to persons 14 years old and over who can not read and write, or who can read but not write, and who declare that they have been engaged in no occupation during the previous year.

Column 13 (Nationality).—Nationality is construed to mean the country of which a person is a citizen or subject.

Column 14 (Race or people).—See list of races on back of this manifest. The entry in column 14 should indicate the race or people to which each alien belongs, whether Hebrew, Irish, German, or other race or people as given in said list.

Special attention should be paid to the distinction between race or nationality, and words descriptive of race should never be used to indicate nationality. For instance, a Russian is a native of Russia, a German is a native of Germany, a Frenchman is a native of France, and a Scotchman is a native of Scotland, regardless of the fact that they belong to the Hebrew, Polish, Teutonic, Celtic, or other race. A native of Ireland, if of the Celtic race, should be returned as Irish, and not as British. A native of Wales should be returned as Welsh, and not as British. A native of Scotland should be returned as Scotch, and not as British. A native of England should be returned as English, and not as British. A native of Canada should be returned as Canadian, and not as British, unless he belongs to the Celtic, Anglo-Saxon, or other race, which should be stated.

A distinction should be made between "Hebrew" and "Jew," regardless of the amount of money shown, as follows:

"Hebrew" is not a race, but is a term applied to persons who profess the Hebrew religion, whether they be of the Hebrew race or not.

"Jew" is a race, and persons of that race should be returned as such, whether they profess the Hebrew religion or not.

"Syrian" is a race, and persons of that race should be returned as such, whether they profess the Christian religion or not.

"Armenian" is a race, and persons of that race should be returned as such, whether they profess the Christian religion or not.

"Negro" is a race, and persons of that race should be returned as such, whether they are natives of Africa, the United States, or elsewhere.

"Mongolian" is a race, and persons of that race should be returned as such, whether they are natives of China, Japan, or elsewhere.

"Mixed" is not a race, and persons of mixed blood should be returned as belonging to the race of which they are most apparently a component part.

"Unknown" is not a race, and persons whose race is not known should be returned as such.

"Native" is not a race, and persons born in a country should not be returned as belonging to the race of the people who happen to be born in that country.

"Citizen" is not a race, and persons who are citizens of a country should not be returned as belonging to the race of the people who happen to be citizens of that country.

"Subject" is not a race, and persons who are subjects of a country should not be returned as belonging to the race of the people who happen to be subjects of that country.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1, age.—The return of age in column 1 should be expressed in years and months, the latter appearing only in the case of infants under 1 year of age.

Column 2, sex.—The entry in column 2 should be either M (male) or F (female).

Column 3, married or single.—The entry in column 3 should be either M (married) or S (single). Widowed persons should be returned as M (married).

Column 4, calling or occupation.—The ability to establish connection as immediately as possible between persons arriving at the ports of entry and friends in the interior who have sent for them, or to which such persons may be directed, frequently depends upon the correctness of the information given in this column. Define specifically what is meant by "laborer," "farmer," "servant," "engineer," "clerk," "manufacturer," "dressmaker," "milliner," "gentleman," "lady," etc. Such terms as "laborer," "servant," "engineer," "manufacturer," "dressmaker," "milliner," "gentleman," "lady," etc., are indefinite and misleading. Specify as engineer, civil, mining, mechanical, electrical, etc.; as laborer, coal miner, iron miner, farm laborer, etc.; as manufacturer, of what; as dressmaker, milliner, etc., whether employer or employee.

A child over 14 years of age should not be returned, unless it can read, regardless of the number of months it may lack of 14 years.

If a person is without occupation, the word "none" should be used in this column.

If a person is a laborer without specifying what kind of laborer, the term is indefinite.

Persons of rank or title should have the same entered in this column, and not be described merely as "gentleman" or "lady," unless these terms are used to designate the occupation.

Column 5, can read or cannot read.—The ability to read or the inability to read is frequently a matter of importance in the case of aliens coming from countries where the population is largely illiterate, and the entry in this column should be carefully made.

Column 6, can write or cannot write.—The entry in column 6 should be Yes or No, as the case may be. The ability to write is frequently of importance in establishing the identity of persons coming to join friends in the United States, and the entry in this column should be carefully made.

Column 7, name and complete address of person in country whence alien came.—The entry in column 7 should give the name and complete address of the person in the country whence the alien came who intends to join friends in the United States. The information called for in this column is frequently of importance in establishing the identity of persons coming to join friends in the United States, and the entry in this column should be carefully made.

Column 8, name and complete address of relative or friend in the United States whom alien intends to join.—The entry in column 8 should give the name and complete address of the person in the United States whom the alien intends to join. The information called for in this column is frequently of importance in establishing the identity of persons coming to join friends in the United States, and the entry in this column should be carefully made.

Column 9, whether going to join a relative or friend, and if so, what relative or friend.—The entry in column 9 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 10, nationality.—Nationality is frequently confused with race. Thus a person may be a Russian by nationality, but a Hebrew by race; a person may be a German by nationality, but a Celt by race; a person may be an Englishman by nationality, but a Celt, Anglo-Saxon, Teutonic, or Hebrew by race; a person may be a Canadian by nationality, but a Celt, Anglo-Saxon, Teutonic, or Hebrew by race; a person may be a Scotchman by nationality, but a Celt, Anglo-Saxon, or Teutonic by race; a person may be a Welshman by nationality, but a Celt by race; a person may be a Swede by nationality, but a Scandinavian by race; a person may be a Norwegian by nationality, but a Scandinavian by race; a person may be a Finn by nationality, but a Finn by race; a person may be a Dane by nationality, but a Scandinavian by race; a person may be a Swiss by nationality, but a Celt, Teutonic, or Latin by race, according to the district in which born; a person may be a Belgian by nationality, but a Celt, Teutonic, or Latin by race, according to the district in which born; a person may be a Spaniard by nationality, but a Latin by race; a person may be a Portuguese by nationality, but a Latin by race; a person may be a Turk by nationality, but a Turanian by race; a person may be a Greek by nationality, but a Hellene by race; a person may be a Bulgarian by nationality, but a Slav by race; a person may be a Servian by nationality, but a Slav by race; a person may be a Montenegrin by nationality, but a Slav by race; a person may be a Roumanian by nationality, but a Latin by race; a person may be a Russian by nationality, but a Slav by race; a person may be a Finn by nationality, but a Finn by race; a person may be a Hungarian by nationality, but a Magyar by race; a person may be a Bohemian by nationality, but a Slav by race; a person may be a Moravian by nationality, but a Slav by race; a person may be a Dalmatian by nationality, but a Slav by race; a person may be a Croatian by nationality, but a Slav by race; a person may be a Slovenian by nationality, but a Slav by race; a person may be a Bosnian by nationality, but a Slav by race; a person may be a Herzegovinian by nationality, but a Slav by race; a person may be a Polish by nationality, but a Slav by race; a person may be a Lithuanian by nationality, but a Slav by race; a person may be a Ruthenian by nationality, but a Slav by race; a person may be a Jew by nationality, but a Hebrew by race; a person may be a Negro by nationality, but a Negro by race; a person may be a Chinese by nationality, but a Mongolian by race; a person may be a Japanese by nationality, but a Mongolian by race; a person may be a Korean by nationality, but a Mongolian by race; a person may be a Hindu by nationality, but a Hindu by race; a person may be a Syrian by nationality, but a Semite by race; a person may be an Armenian by nationality, but an Armenian by race; a person may be an Egyptian by nationality, but a Hamite by race; a person may be a Pacific Islander by nationality, but a Pacific Islander by race; a person may be a West Indian by nationality, but a West Indian by race; a person may be a South American by nationality, but a South American by race; a person may be a Central American by nationality, but a Central American by race; a person may be a Mexican by nationality, but a Mexican by race; a person may be a Cuban by nationality, but a Cuban by race; a person may be a Porto Rican by nationality, but a Porto Rican by race; a person may be a Filipino by nationality, but a Filipino by race; a person may be a Hawaiian by nationality, but a Hawaiian by race; a person may be a Samoan by nationality, but a Samoan by race; a person may be a Tongan by nationality, but a Tongan by race; a person may be a Fijian by nationality, but a Fijian by race; a person may be a Maori by nationality, but a Maori by race; a person may be a Tahitian by nationality, but a Tahitian by race; a person may be a Marquesan by nationality, but a Marquesan

THIS SHEET IS FOR SECOND

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the S[illegible] from SOUTHAMPTON, do solemnly, sincerely, and truly [illegible] that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labour in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1. — The names of the passengers should be expressed in full, the latter applying only to those under 1 year of age.

Column 2. Sex. — The entry in column 2 should be either M (male) or F (female).

Column 3. Married or single. — The entry in column 3 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 4. Calling or occupation. — The entry in column 4 should describe as accurately as possible the occupation of each alien of 10 years of age and over. Clerks, merchants, students, laborers, engineers, farmers, tailors, shoemakers, dressmakers, servants, seamstresses, painters, sailors, etc., are the proper designations. Persons without occupation, such as housekeepers, children, etc., should be returned as "none."

A distinction should be made between *laborer* and *operative*, regardless of account of money shown, as follows:

A *laborer* is one who performs rough work requiring little or no skill.

An *operative* is one who works at a trade requiring the exercise of skill.

Steamship companies should make exact entries of occupations, and the same should be made, if necessary, by inspectors and registry clerks at the time of examination of aliens and cases.

Aliens intending to pass through and out of the United States should be recorded under head of "no occupation," if correct, but those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be recorded as "tourists" under head of occupation.

Column 5. Able to read and write. — Column 5 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 6. Nationality. — Column 6 should be overstrong to show the country of which immigrant is a citizen or subject.

Column 7. Race or People. — The entry in column 7 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the discrepancies between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African" refers to the people of the Dark Continent, Atlantic Negroes, etc., as distinguished from Cuban, West Indian, and Spanish-American Negroes.

ITALIAN (NORTH).

The people of Northern Italy, including Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether born in Italy, Switzerland, America, or any other country, should be classed as "Italian (North)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people of Southern Italy, including Tuscany, the Papal States, Umbria, Marches, Abruzzi, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (South)."

Column 8. Last residence. — The entry in column 8 should show the country of last permanent residence. It is important to establish the fact that the immigrant has resided in the country of last permanent residence for a sufficient length of time to become thoroughly imbued with the spirit of the people, and not merely to have passed through on a steamship ticket or as a sojourner.

Aliens coming to permanent residents of the United States and returning from a visit abroad, should be recorded on manifests as "United States" for country of last permanent residence.

Column 9. Aliens not coming to a final destination to be held in custody, where desired. — The entry in column 11 should give name and address of such relative or friend.

If no such relative is living, give name and address of friend.

Column 10. Final destination. — The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 11. Whether having a ticket to such final destination. — The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 12. By whom were passage paid. — The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 13. Whether in possession of $50; and if less, how much. — The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 14. Whether ever before in the United States, and if so, when and where. — The entry in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as 1894-97, Philadelphia.

Column 15. Going to join relative or friend, and if so, what relative or friend. — The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 16 to 29. — The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3: Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4: Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5: Married or single.—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6: Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7: Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), Yes—No (can neither read nor write), or Yes—No (can read but not write).

Column 8: Nationality.—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9: Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether having a ticket to such final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15: By whom was passage paid.—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16: Whether in possession of $50; and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17: Whether ever before in the United States; and if so, when and where.—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18: Going to join relative or friend; and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 2, Sex. Write the word male or female, as the case may be, to indicate the sex of each alien.

Column 3, Married or single. Write the word married or single, as the case may be, to indicate the conjugal condition of each alien.

Column 4, Calling or occupation. The occupation of each alien should be stated. Persons having no occupation, such as children and wives, should be returned as having none. Laborers, without specification, should be returned as such. Do not return laborers as farmers, planters, gentlemen, or by any other designation implying ownership of property. Do not return persons as clerks unless they are to be employed as such. Persons formerly engaged in any occupation, but not following it at the time of sailing, should be returned as of their present occupation. Thus, a person formerly a merchant, but now having no occupation, should be returned as having none; a person formerly a farmer, but now a laborer, should be returned as a laborer. Be careful to return the occupation of each alien specifically and definitely. Affidavit of the Master or Commanding Officer, or First or Second Officer.

Högemann Master, of the S.S. Kronprinzessin Cecilie, from Bremen

(State whether Master, First or Second Officer.)

solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year's age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, cut nailing, wood turner, etc., and not simply as engineer, polisher, molder, turner or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which an immigrant is a citizen or subject.

Column 9 (Race or people).—Applied to cases on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be correctly prepared by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "France" by race or people, nor does "English" appearing on a manifest necessarily mean "England" by race or nationality. A Scotch, Welsh, German, or Hebrew by race might properly come under the heading of United Kingdom or another country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (If cash, how much was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] Paul J. Morgenroth Master of the [illegible], from Bremen, do solemnly, sincerely, and truly (State whether Master, First or Second Officer.) swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should raise this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, G. Fischer, Surgeon of the S/S Kaiserin Cecilie, sailing Vessel, do solemnly, sincerely, and truly swear that I have had twenty-two years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Kiel, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, mechanical engineer, steam fitter, engineer, mining engineer, brass polisher, steel worker, iron worker, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the capital or means shown as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for wages paid by others.

Steamship companies should consider this distinction on the manifests and correct as should be found necessary by inspectors and registry clerks during the personal examination of aliens arriving.

Column 7 (Can read and write). Column 7 is subdivided and the entries therein should be either Yes (if the person named can read and write), No (if can neither read nor write), or Yes (if can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which an immigrant is a citizen or subject.

Column 9 (Race or people). See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at each entry of alien in this regard. For instance, "German" appearing in a manifest does not necessarily mean "Teutonic" by race or people, and the word "English" appearing on a manifest does not necessarily mean "Saxon" by race or people. An Anglo-Saxon in Irish, Germanic, or Hebrew by race might properly come under the head of German or United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The terms "Cuban" refer to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much). The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where). The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend; and if so, what relative or friend). The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dr Fischer, Surgeon of the St Kasimirs Cecilie parking Norrith, do solemnly, sincerely, and truly swear that I have had twenty four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the university of Halle, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Hermann Lang, 1st Stm. Hohenzollern Master, of the (State whether Master, First or Second Officer.) swear, from Bremen, solemnly, sincerely, and truly that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the statement of the entry showing as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make the distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is satisfied and the entries thereon should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes (No, can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and mistakes should be carefully guarded by inspectors and registry clerks in this regard. For instance, the entry appearing on a manifest descend necessarily mean "French" by race or people, and the entry "Israel," appearing on a manifest does not necessarily mean "Hebrew" by race. An alien who is Irish, German, or Hebrew by race might properly come under the head of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city, or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Coming to any relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, G. Fischer, Surgeon of the U.S. Immigration Station, Seattle, acting Port of Arrival, do solemnly, sincerely, and truly swear that I have had twenty-four years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of State, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.

A distinction should be made between *former* and *future* occupations, regardless of the occupation in which detained, as follows:

A laborer who produces something, either for himself or others.

A laborer who works on a farm for a certain man who operates it.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

[illegible] The entry [illegible] should be expressed in years [illegible] the latter applying only to those under 1 year of age.

[illegible] the entry is to be either M (male) or F (female).

[illegible] The entry is to be either M (married), S (single), Wd (widowed), or D (divorced).

[illegible] The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, Clerk, compositor, cook, dressmaker, engineer, farmer, fireman, engineer, horse polisher, steel worker, tailor, tailoress, weaver, laborer, etc., and not simply as engineer, polisher, worker, etc., without the proper prefix or affix.

A distinction should be made between *foreign* and *alien* races, regardless of the country of emigration, the words as follows:

A person who emigrates from one country to the land of his nativity is a native of that country; if he goes to another country, he is an alien.

Should the two parts of the question on the manifests and cards not be correctly answered, the alien should be detained by inspectors and registry clerks during the personal examination of each alien.

[illegible] Column 7 is subdivided and the entries therein should be either Yes (can read and write) or No (cannot read and write), or Yes (can read but not write) or No (cannot read nor write).

[illegible] Column 8 should be construed to mean the country of which the alien is a native.

[illegible] Special attention should be paid to the distinction between race and nationality, and the latter should be entered in response to this column. For example, a native of Germany, Russia, or Austria, of the Hebrew race, should be described as a native of Germany, Russia, or Austria, as the case may be, and not as a native of Palestine, or as belonging to the Hebrew nationality. Similarly, a native of Ireland, of the Celtic race, should be described as a native of Ireland, and not as a native of Great Britain, England, or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people—not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuba—not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 9: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which an alien resided with the intention of remaining long as one year shall be the last permanent residence, regardless of length of actual residence therein. The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether having a ticket to such final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14: By whom was passage paid.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15: Whether in possession of $50, and if less how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17: Whether ever before in the United States; and if so, when and where.—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18: Going to join relative or friend, and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Race or people" is to be determined by the stock from which it descends and the language they speak. The original stock or blood should form the basis of the classification independent of language. The latter course is to be used only to assist in determining the original stock.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

[illegible]

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy; i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po; i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether having a ticket to such final destination.—The entry in column 14 should be either Yes (ticketed) or No (no ticket).

Column 14: By whom passage paid.—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15: Whether in possession of $50; and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17: Whether ever before in the United States; and if so, when and where.—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18: Going to join relatives or friend; and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3. Age.—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4. Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the capacity of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arriving.

Column 7. Can he read and write.—Column 7 is subdivided and the entries therein must be either Yes (Y) (can read and write), No—No. (can neither read nor write), or Yes—No. (can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which — citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and candidates should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" as a race or people does not necessarily mean "French" by race or people and nationality. "French," specifying race in a manifest does not necessarily mean "France" as nationality. An alien who is Irish, German, or Hebrew by race might properly come under the description of United Kingdom or any other country by nationality. In this connection the following should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban not Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Hagemann [illegible], of the S.S. Kaiserin Auguste Victoria, from Bremen, do solemnly, sincerely, and truly (State whether Master, First or Second Officer) that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, [illegible] in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

Sworn to before me this [illegible] day of [illegible], 19[illegible],

[illegible] Immigration Officer.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which one is a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An Irishman, who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4, Sex.—The entry in column 4 should be either M (male) or F (female).

Column 5. Married or single.—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6. Calling or occupation.—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of property which they own, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7. Able to read and write.—Column 7 is subdivided and the entries therein should be either Yes (Yes—can read and write), No (No—can neither read nor write), or Yes (No—can read but not write).

Column 8. Nationality.—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9. Race or people.—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and, conversely, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien, who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdoms or any other country by nationality. In this connection, the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. Whether having a ticket to such final destination.—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16. Whether in possession of $50; and if less, how much.—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17. Whether ever before in the United States; and if so, when and where.—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18. Going to join relative or friend; and if so, what relative or friend.—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 24.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel worker, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, worker, or other indefinite designations.

A separation should be made between *farmers* and *farm laborers*, regardless of the following instructions, as follows:

1. *Farmer* is one who operates a farm, either for himself or others.

2. *Farm laborer* is one who works on a farm for the man who operates it.

Supervising immigration officers should make the distinction in the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes or No. Yes (can read and write). Yes (can read but not write). No (can neither read nor write). Yes (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9 (Race or people). Special attention is directed to the column in back of this manifest. The entry in this column should show the race or people of which each alien is a member, and not his nationality.

Special attention should be paid to the distinction between race and nationality, and persons should be carefully reviewed by inspectors and registry clerks in this regard. For instance, a native of Germany, although described in the census as a "German," may belong to the Hebrew race; a native of France may belong to the Basque race; a native of Scotland may belong to the Celtic race; a native of Ireland may belong to the Celtic race; a native of Wales may belong to the Celtic race; a native of Italy may belong to the Latin race; a native of Mexico may belong to the Spanish race; a native of Cuba may belong to the Spanish race; a native of Canada may belong to the French race; a native of Switzerland may belong to the German race; a native of Belgium may belong to the Latin race; a native of Holland may belong to the Teutonic race; a native of Sweden may belong to the Scandinavian race; a native of Norway may belong to the Scandinavian race; a native of Denmark may belong to the Scandinavian race; a native of Russia may belong to the Slavonic race; a native of Poland may belong to the Slavonic race; a native of Bohemia may belong to the Slavonic race; a native of Hungary may belong to the Hungarian race; a native of Turkey may belong to the Turkish race; a native of Greece may belong to the Greek race; a native of Portugal may belong to the Portuguese race; a native of Spain may belong to the Spanish race; a native of Japan may belong to the Japanese race; a native of China may belong to the Chinese race; a native of India may belong to the Hindu race; a native of Africa may belong to the African race; a native of Australia may belong to the Australian race; a native of New Zealand may belong to the New Zealand race; a native of the United States may belong to the American race; a native of the West Indies may belong to the West Indian race; a native of Central America may belong to the Central American race; a native of South America may belong to the South American race; a native of Mexico may belong to the Mexican race; a native of Canada may belong to the Canadian race; a native of Alaska may belong to the Alaskan race; a native of Hawaii may belong to the Hawaiian race; a native of Porto Rico may belong to the Porto Rican race; a native of the Philippines may belong to the Filipino race; a native of Guam may belong to the Guamanian race; a native of Samoa may belong to the Samoan race; a native of Tonga may belong to the Tongan race; a native of Fiji may belong to the Fijian race; a native of the Solomon Islands may belong to the Solomon Islander race; a native of the New Hebrides may belong to the New Hebridean race; a native of the Loyalty Islands may belong to the Loyalty Islander race; a native of the Marquesas may belong to the Marquesan race; a native of the Society Islands may belong to the Society Islander race; a native of the Tuamotu Archipelago may belong to the Tuamotuan race; a native of the Gambier Islands may belong to the Gambier Islander race; a native of the Austral Islands may belong to the Austral Islander race; a native of the Cook Islands may belong to the Cook Islander race; a native of the Tubuai Islands may belong to the Tubuaian race; a native of the Rapa Islands may belong to the Rapan race; a native of the Pitcairn Islands may belong to the Pitcairn Islander race; a native of the Norfolk Islands may belong to the Norfolk Islander race; a native of the Lord Howe Islands may belong to the Lord Howe Islander race; a native of the Kermadec Islands may belong to the Kermadec Islander race; a native of the Chatham Islands may belong to the Chatham Islander race; a native of the Auckland Islands may belong to the Auckland Islander race; a native of the Campbell Islands may belong to the Campbell Islander race; a native of the Macquarie Islands may belong to the Macquarie Islander race; a native of the Antipodes Islands may belong to the Antipodes Islander race; a native of the Bounty Islands may belong to the Bounty Islander race; a native of the Auckland Islands may belong to the Auckland Islander race; a native of the Campbell Islands may belong to the Campbell Islander race; a native of the Macquarie Islands may belong to the Macquarie Islander race; a native of the Antipodes Islands may belong to the Antipodes Islander race; a native of the Bounty Islands may belong to the Bounty Islander race.

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid). The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much). The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *common* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm, but does not operate it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Can read and write). Column 7 is self-explanatory and the entry therein should be either Yes or No. Yes can read and write, No—No can neither read nor write, or Yes—No can read but not write.

Column 8 (Nationality). Column 8 should be interpreted to mean the country of which an emigrant is a citizen or subject.

Column 9 (Race or people). See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French," but may mean people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining so long as one year shall be the last permanent residence, regardless of length of actual residence thereat. The entry in column 10 should show the country, and not the town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of relative or friend in the native country). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). Intended future permanent residence, not to be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (If having ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether having been paid for by whom). The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much). The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as 1891-97, Philadelphia.

Column 17 (Whether going to join relatives or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 18 (Cash). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age). The return of age in column 3 should be expressed in years if over 1 year of age, and in months, the latter applying only to those under 1 year of age.

Column 3 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 5 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should take the greatest care in preparing and correcting manifests, and corrections should be made, if necessary, by inspectors and agents before during the period of examination of alien arrivals.

Column 6 (Able to read and write). Column 7 is ruled, filled and the entries therein should be either Yes—Yes (can read and write), Yes—No (can read but not write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality). Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). See list of races on back of this manifest. The entry in column 9 should show the race or people to which alien belongs.

Special attention should be paid to the distinction between race or nationality, and manifests should be carefully reviewed by inspectors and agents with this in view. For instance, "France" appearing on a manifest does not necessarily mean "French" for race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" for nationality. An alien who is Irish, German, or Hebrew by race ought properly to be under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be carefully observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, also to one coming from Cuba or other islands of the West Indies, North or South America, Europe or Africa. An alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining a year shall be the last permanent residence regardless of length of actual residence in each. The entry in column 10 should show the country, *colonies excepted*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence (after visiting or travel).

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative, insert "no one," "self," or "friend."

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show such city, place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether in possession of $50, and if less, how much). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (If whose own passage paid). The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friends; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not Yes or No in the United States before, and, if so, the year or period, events, and places, as 1891-97, Philadelphia.

Column 17 (Coming to join relative or friend; and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 18 (Ultimate). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, such as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, glass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either his own or others.

A *farm laborer* is one who works on a farm, for the farmer who operates it.

Steamship companies should make this distinction in all cases, and collectors should be made, if necessary, by inspectors and regular clerks, during the personal examination of aliens on arrival.

Column 7 (Able to read and write). Column 7 should be examined and the entries therein should be either Yes or No. Yes can read and write, Yes, No can read but not write, or Yes, No can read but not write.

Column 8 (Nationality). Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people). So little of "race or people" can be inferred from the entry in column 8 should know that no separate people are mentioned in it.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and regular clerks in charge, for instance, "Hebrew" appearing on a manifest does not necessarily mean "Russia" as the race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" as nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country in Europe. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether coming from Africa or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., comprising the departments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., the departments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The age counts in which the alien resided with the intention of remaining a resident for the said length of time regardless of length of actual residence thereafter. The entry in column 10 should show the country, and the town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or flag.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give the name and address of friend.

Column 12 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place—city or town—of intended future permanent residence, if within the United States, country, if outside the United States.

Column 13 (If ticket was paid for by some one other than himself). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Have you paid your own passage?). The entry in column 14 should show definitely by whose passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less than $50 how much). The entry in column 15 should show in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entry in column 16 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as, 1894–97, Philadelphia.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend, and where). The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

General remarks. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that region of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10. Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11. Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12. Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13. Whether having ticket in part or full to final destination.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14. Whether any person paid passage.—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15. Whether in possession of $50, and if less how much.—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16. Whether ever in the United States, and if so, when and where.—The entry in column 16 should show whether or not Yes or No in the United States before; and if so, the year or period of years and place, as 1894-97, Philadelphia.

Column 17. Whether going to join relative or friend, and if so, what relative or friend, and where.—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 18.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the VADERLAND. (state whether Master, First or Second Officer) , from ANTWERP , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 32 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Officer.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 and 8 (Can read; can write). Column 7 is subdivided, and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 9 (Nationality). Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people). See list of races on back of the manifest. The entry in column 10 should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean a "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean a "France" by nationality. An alien who is Irish, Germans, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence). An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and if possible the city*, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence or nationality of race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of person in United States to whom alien is going). The entry in column 12 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination). Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 13 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination). The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether sent for by friend, etc.). The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much). The entry in column 16 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1894–97, Philadelphia.

Column 18 (Whether going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to end. The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

11—1115

Affidavit of Surgeon.

I, Maurice Bertrand, Surgeon of the VADERLAND. sailing thence with do solemnly, sincerely, and truly swear that I have had Eleven years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the University of Brussels, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 32 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married, single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make the distinction in the manifests, and corrections should be made if necessary by inspectors at ports of debarkation during the personal examination of aliens arriving.

Columns 6 and 7 (Can read and write).—Column 6 is subdivided and the entries therein should be either Yes (can read and write) or No (can neither read nor write), or Yes (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which an alien is a citizen or subject.

Column 9 (Race or people).—Several races or kinds of people are manifested. The entry in column 9 must show the race or people to which each alien belongs, and not his nationality.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors at ports of debarkation in this regard. For instance, a Russian Hebrew may be a citizen of Russia, but not a Russian; and a "French" Canadian may be a native of Canada, but not a Frenchman. "French" appearing on a manifest does not necessarily mean "France" as nationality. Aliens who hail from Germany or Hungary by race should properly come under the heading of United Kingdom or any other country of nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuba) not Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the country, and if a citizen, of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of relative in country whence came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relatives; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1899–07, Philadelphia.

Column 17 (Whether coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Th. Barman (Master, Commander, Master, Purser, Second Officer), of the VADERLAND., from ANTWERP, do solemnly, sincerely, and truly ~~swear~~ that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 32 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or ~~Manifests~~ concerning each of said aliens named therein is correct and true in every respect.

11—1115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, shipbuilder, mechanical engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examinations of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), N—No (can neither read nor write), or Yes—N (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Column 9 (Race or people).—See list of races on back of this manifest. The entry in column 9 should show the race or people as given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "German" appearing on a manifest does not necessarily mean "German" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join a relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible] Surgeon of the VADERLAND, [illegible], do solemnly, sincerely, and truly [illegible] that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 32 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the VAILIA, from ANTWERP, do hereby certify that I have caused the surgeon of said vessel acting therewith or the surgeon [illegible] a careful and true examination of each and all of the aliens named in the [illegible] and that from the report of said surgeon and from my own [illegible] is an idiot, or imbecile, or a feeble minded person, or insane person, or [illegible] afflicted with tuberculosis, or with a loathsome or dangerous [illegible] is or who admits having committed a felony or other crime or [illegible] or who admits the practice of polygamy or an [illegible] coming to perform labor in the United States, or a prostitute, or a [illegible] for the purpose of prostitution, or for any other immoral purpose; and that [illegible] the information in said Lists or Manifests concerning each of said aliens named therein is correct in every respect.

Officer.

Sworn to before me this [illegible] day of , 19 ,

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2: Age.—The return of age in column 5 should be expressed in years of months, the latter applying only to children under 1 year of age.

Column 3: Sex.—The entry in column 3 should be either M (male) or F (female).

Column 4: Married or single.—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5: Calling or occupation.—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien person, as for example: Civil engineer, shipwright, engineer, conductor, machinist, molding engineer, brass polisher, steel polisher, bookbinder, wood carver, etc., and not merely as laborer, polisher, binder, carver, or other indefinite designation.

A separate entry should be made between *farmer* and *farm laborer*, regardless of the [illegible] however as follows:

A farmer is one who [illegible] owns, either in his own right or jointly with [illegible].

A farm laborer is one who works on a farm for wages, either by the month or by the year.

Persons in business should make their designations specific and complete, and [illegible] should be required, by inquiry if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Columns 6 and 7: Can read and Can write.—Column 7 is subdivided and the entries therein should be either Yes (Y) or No (N). Any one who can read and write, Yes, No, can neither read nor write, or Yes, No, can read but not write.

Column 8: Nationality.—Column 8 should be construed to mean the country of which [illegible] a citizen or subject.

Column 9: Race or people.—See [illegible] at head of column on back of this manifest. The entry in [illegible] column 9 must be one of the races or peoples named in said list.

Special attention should be paid to the distinction between race and nationality, and [illegible] should be carefully noted by inspectors and registry clerks in this regard. For [illegible] the word "English" as meaning a subject or citizen of England means "French" by race or people, and the word "Russian" as meaning a citizen of Russia does not necessarily mean "Russ" by race or people. An alien who is Jewish in religion, or Hebrew by race might properly come under the head of "Jew," and a Parsee is quite as likely to be a native of any other country by nationality. In the comparatively few cases [illegible] should be carefully observed.

CUBAN.

Includes "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish country.

AFRICAN (NEGRO).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, South or South American, Europe or Africa. Any alien with [illegible] of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Latium, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10: Last permanent residence.—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence, regardless of length of actual residence thereto. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11: Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12: Final destination.—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place, city or town, of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13: Whether having a ticket to such final destination.—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14: By whom was passage paid.—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15: Whether in possession of $50; and if less, how much.—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16: Whether ever before in the United States; and if so, when and where.—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 17: Whether going to join relative or friend; and if so, what relative or friend.—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, [illegible], Surgeon of the VADERLAND, sailing thereon, do solemnly, sincerely, and truly declare that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the [illegible], and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 32 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years of months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the calling or occupation of each alien arrived, as for example: Civil engineer, stationary engineer, mining engineer, brass polisher, steel roller, stone cutter, stone mason, etc., and not simply as engineer, polisher, molder, mason, or laborer.

A choice is allowed to each between *farmer* and *farm laborer*, regardless of the character shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for others, usually by the day, week, or month.

Immigrant inspectors should make this distinction on the manifests, and corrections should be made at necessary by inspectors and registry clerks during the personal examination of the aliens.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write) or No (can neither read nor write), or Yes (can read) or No (can not read).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which a person is a citizen or subject.

Race or people.—See list of races on back of this manifest. The entry in column 9 should be as the race or people is given in said list.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, the term "French" appearing on a manifest does not necessarily mean "France" as the nationality, for a native of France may be of the Basque, Breton, Teutonic, Celtic, Iberian, Provençal, or other race. So also, "Dutch" appearing on a manifest does not necessarily mean "Holland" as the nationality. An alien who is Polish, Germanic, or Hebrew by race might properly come under the head of "Russia, Europe," or any other country by nationality. In this connection, the following should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other parts of the West Indies, North or South America, Europe, or Africa. Any alien with an admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, The Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—An intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining as long as one year shall be the last permanent residence regardless of length of actual residence therein. The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—Intended future permanent residence shall be the final destination. An intended residence of one year shall constitute permanent residence. The entry in column 12 should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 32.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

"Race or people" is to be determined by the stock from which aliens spring and the language they speak. The original stock or blood shall be the basis of the classification independent of language. The mother tongue is to be used only to assist in determining the original stock.
